DR. G. NORRIS GLASOE RECEIVES AWARD

At the annual alumni dinner at St. Olaf College, Northfield, Minnesota on May 29, Dr. G. Norris Glasoe, one of BNL's Assistant Directors, received a Distinguished Alumnus Award. This award is made annually to several outstanding alumni, at a ceremony connected with St. Olaf College's commencement exercises.

In Dr. Glasoe's citation, reference was made to his responsibilities as one of three students building and operating WCAL in 1922. This was one of the first college radio stations to be licensed; it has since become one of the most important broadcasting stations in southern Minnesota. The citation continues: "At the University of Wisconsin, where he earned his advanced degrees, Dr. Glasoe distinguished himself as an exceedingly able experimenter in the field of photoelectricity. As a member of the staff and associate group leader at the Radiation Laboratory at MIT during World War II, he worked in the field of pulse generators and is a co-author and co-editor of a book on that subject." The citation concludes with mention of Dr. Glasoe's current position at Brookhaven and his responsibilities in connection with low energy accelerators.

GOLF WINNERS

The second Callaway Tournament has just been completed. We seem to have about 250 very shy golfers, since only forty members entered the Tournament. Among the latter, we were very pleased to have our first female entrant and an award-winner at that.

Thirty players shot rounds of 110 or less, with ten entrants going over 110. The winner in the latter class was Robert Doerr. This is his second time in the winner's circle. In the 110 and under class, we had a sizzling gross score of 82 and net of 71 from Joe Friedes. Very nice round - the best this season. Tied for second with net scores of 73 were Bob Hambley, Bill Sampson and Jerry Weiss. Let's assure all members that this was not a fix - your Tournament Chairman may never win again!

The winners will be informed of their awards in the near future.

U.S.S.R. SPECIALISTS VISIT BNL

Ten Soviet specialists in radioactive waste disposal visited the Laboratory on June 2 and 3, as part of their tour of unclassified waste disposal facilities in the United States. This visit completes the fourth in a series of technical exchanges of groups of nuclear specialists between the United States and Russia established under the overall U.S.-U.S.S.R. Scientific, Technical, Educational and Cultural Agreement.

The Soviet scientists will also visit the Yankee Atomic Power Plant, Rowe, Massachusetts; Argonne National Laboratory, Argonne, Illinois; Dresden Nuclear Power Station, Morris, Illinois; and Oak Ridge National Laboratory, Oak Ridge, Tennessee.

Shown with the Russians in the BNL photograph above are a State Department interpreter (back row, third from right), a representative of the U.S. Atomic Energy Commission (front row, second from right); and Lee Gemmell of BNL's Health Physics Division (front row, second from left).

TEN YEAR SERVICE PIN AWARDS MAY, 1965

During the month of May, the Laboratory awarded pins and certificates to six employees in recognition of their completion of ten years of service at BNL. The employees are as follows:

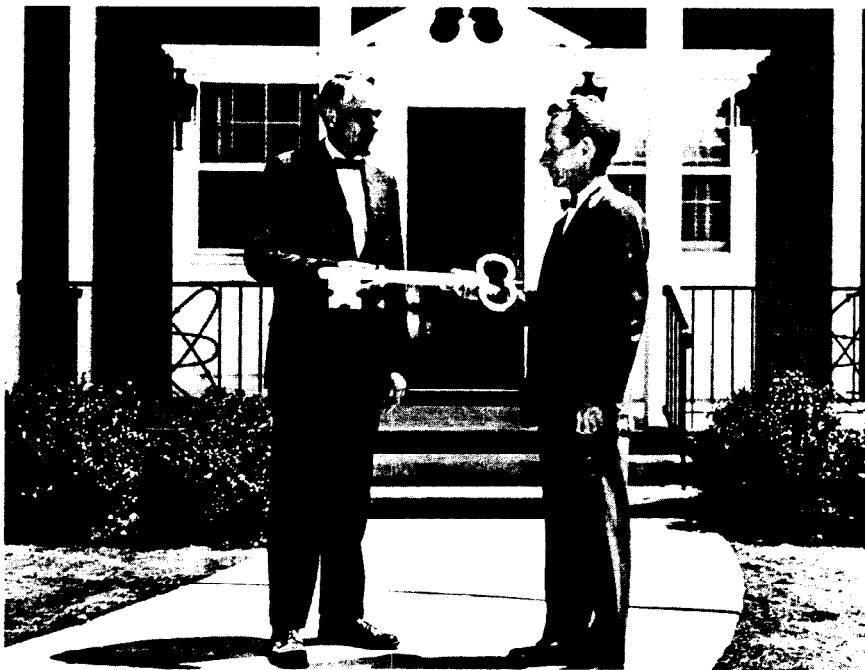

Edwin T. Bailey.....	PHYSICS
Albert Geiger.....	CENTRAL SHOPS
Dorothy G. Metz.....	PLANT MAINTENANCE
Esther B. Semm.....	INFORMATION
Joseph Sovansky.....	PLANT MAINTENANCE
Frederick R. Truman....	NUCLEAR ENGINEERING

BRIDGE GROUP

Although very few players showed up on May 25 (many of you must have missed the notice), the first social bridge session was relaxed and enjoyable. The next session will be held on Tuesday, June 29, from 8:00 to 11:30 p.m. at the Brookhaven Center. We'll try to remind you again beforehand.

By the way, as with other Hospitality Committee activities, the group is limited to women (wives of staff members and women who are themselves staff members).

NEW MEN'S RESIDENCE COMPLETED

On Friday, May 28, BNL's new Men's Residence on Upton Road was officially opened by S.M. Tucker (right), Assistant Director of Plant Engineering and Operations, presenting the "Official Key" to R.C. Anderson, Assistant Director of Scientific Personnel.

The building is another renovation completed by the Architectural and Engineering Personnel attached to the Plant Maintenance Office. It is composed of what were originally three separate "World War II" barracks located between Cavenish Lane and Johns Hopkins Street. In October, 1964, these buildings were moved to their present location in order to make way for the new Cafeteria and Lecture Hall and to provide better living conditions for our transient personnel.

At their present location, the buildings were set on the site in the form of a "Z," using the corners of new construction to form the "utility cores" where all of the toilet and kitchen facilities could be installed with the minimum of cost.

The building consists of eighty-three individual bedrooms, with furniture specifically designed for the space. All rooms are tastefully decorated in various pastel colors, with lamps, drapes and pictures included - everything to make a "home away from home" more comfortable. Each room also has a television antenna receptacle, and the entire building is protected from fire by an automatic sprinkler system and manual alarms.

There are four kitchens and dining rooms so that each occupant may prepare his own "snacks." Each kitchen provides a unique system of individually locked refrigerator and dry food compartments. Dish cabinets, electric cooking units, and an ice cube maker are also provided.

To provide additional soundproofing and comfort for the occupants, the building has carpeting throughout its corridors, stairs and lobby. Exterior walls are insulated, and all interior walls and ceilings are soundproofed. A comfortable lobby is centrally located where a person may watch his favorite television program or play cards with friends.

Immediately adjacent to the rear of the building is a flagstone patio where, on a summer evening, occupants may sit in the cool shade and sip their favorite liquid refreshment, and really enjoy it! There are parking facilities at the rear of the building to provide for approximately seventy-five cars.

COOKING EXCHANGE GROUP

The Cooking Exchange Group will meet on Wednesday, June 16 in the Recreation Building from 3:00 to 5:00 p.m. As usual, babysitting service will be available at fifty cents per mother.

BERA CONCERT COMMITTEE PRESENTS A SONG RECITAL BY ANN WEBSTER

Brookhaven Center, Tuesday
June 29 **ADMISSION FREE** 8:30 p.m.

BERA FILM SERIES SUMMER 1965

This summer, the film study group will be experimenting with a new policy. As before, we will attempt to schedule quality films of recent interest of both U.S. and international origins.

In addition to these regular features, the program will be supplemented on alternate weeks by **short subjects**, best described as experimental in style. On the remaining weeks, another full-length feature film will be shown. These **second features** are considered classics of their kind and have been frequently requested by the BNL movie audience.

You are reminded that the BERA Film Series is for you. If you have any suggestions to make regarding the program or policy of the group, please make them known to Tony Nappi, Building 465. Questionnaires and film request forms will be available at all scheduled showings of the film series. Please fill these out and voice your opinions.

As before, all showings will begin promptly at 8:30 p.m. at the Lecture Hall.

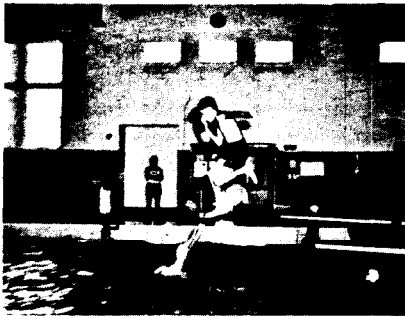

FILM SCHEDULE

- June 17**
SUNDAYS AND CYBELE (Serge Bourguignon)
DAY OF THE PAINTER (short)
- June 24***
THE SOUND OF TRUMPETS (Italy)
THE DEVIL'S ENVOYS (Marcel Carne)
- July 8**
THE GUEST (Pinter)
PALADINI (short)
- July 15***
ONLY TWO CAN PLAY (Peter Sellers)
THE GOLDEN COACH (Renoir)
- July 22**
ANTIGONE (Irene Papas)
CHESS (short)
- July 29***
OUR MAN IN HAVANA (Carol Reed) - bonus
THE REST IS SILENCE (H. Kautner)
- August 5**
LA DOLCE VITA (Fellini)
CLAY (short)
- August 12***
BEAT THE DEVIL (Houston-Bogart)

*Double feature.

CHILDREN'S SWIMMING INSTRUCTION

APPLICATION: Swimming Classes Date.....
 Name Son/Daughter Age* Class Letter

1.
2.
2.
3.
4.
5.

*If under eight years old, state height.

I wish to register the above children in the Swimming Classes. I understand that he or she is not permitted to leave the SWIMMING POOL AREA. I agree that he or she may be denied participation in the program for failure to observe the rules.

.....
 Employee's Name (please print)

.....
 Lab Address Lab Extension

Forward this application with registration fee to the Recreation Office, 3 Center Street.

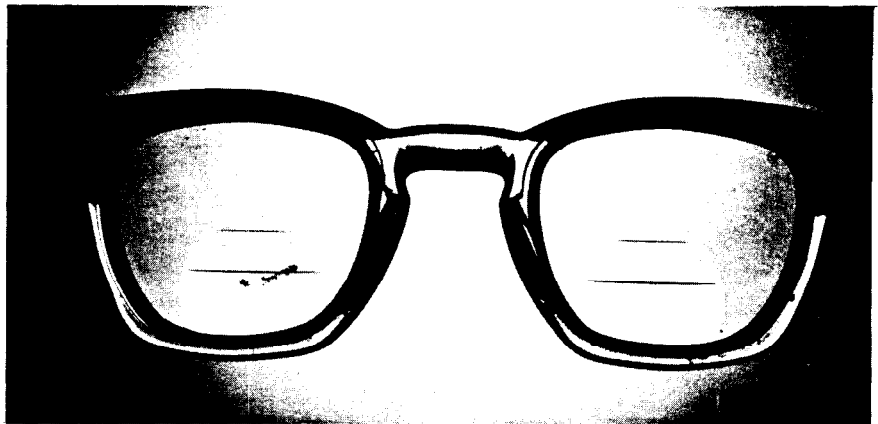

Deadline - June 25 or before if the maximum registration is reached. No registration fees will be refunded.

Swimming Classes: 1:00 - 2:30 p.m.

1. These classes are for all Laboratory employees' children.
2. Children must be four feet in height.
3. A fee of \$2.50 per child must accompany application. (Make checks payable to BERA.)
4. Children will report at the Swimming Pool not earlier than 12:50 p.m.
5. Classes will end at 2:30 p.m. Off-site children must remain in the Pool Area until picked up by parents. On-Site children must remain in the Pool or proceed directly to the apartment area.

(Continued on Page 4)

WISE OWL AWARD PRESENTED TO CLARENCE PORTER

On June 4, A Wise Owl Club Award was presented to Clarence Porter of the Instrumentation and Health Physics Department. This award, the sixth presented to a BNL employee, is given to personnel whose eyes are saved by safety glasses.

Clarence was working at his bench in an electronics laboratory, cutting a small bolt with a pair of diagonal cutters. One cutter suddenly broke off, flew up, and struck his glasses on the left lens (see photograph above). Had Clarence not been wearing his glasses, this accident would have undoubtedly caused him to lose the sight of his eye. He was especially grateful that his eyes were protected since he had previously lost the vision of his right eye.

THEATRE GROUP

ELECTS OFFICERS

The Theatre Group officers for 1965-66, as elected at the May 26 meeting, are as follows: President, George Cox; Vice President, Jerry Friedman; Secretary, Mary Affeldt; Program Committee Chairman, Bill Hilger; Advisory Committee Chairman, Ann Leonard; and Theatre Co-chairmen, Larry Jones and Mike Sheehan.

Congratulations and best wishes to the new officers, who will begin their terms of office on July 1.

The play chosen by the members for the fall production is "Summer and Smoke" by Tennessee Williams. See article below for tryout dates.

CASTING CALL!

Casting for the BNL Theatre Group's fall production of Tennessee Williams' "Summer and Smoke" will be held at the Theatre on Monday, Wednesday, and Thursday, June 14, 16 and 17, at 8:00 p.m. If you would like to audition but find these dates inconvenient, please call Jerry Friedman, Ext. 2548.

Please note: Intensive scheduled rehearsals will not begin until after the summer. June casting is being held so that parts can be studied during the summer, and informal rehearsals with the director arranged if mutually convenient.

**BERA DANCE PRESENTED
BY THE NUCLEAR ENGINEERING DEPARTMENT
AT 9:00 P.M. ON JUNE 18 IN THE GYMNASIUM**

**Door Prizes
Dance Contest**

Music by
Wayne Foster Orchestra
Featuring Joey Ames

**\$1.50 Each, Employees and Escorts
\$2.00 Each for Guests**

Setups (soda and ice), beer, hot dogs, and coffee will be sold at cost.
Pretzels and chips are free.

BRING YOUR OWN LIQUOR.

DOUBLE FEATURE RE-SCHEDULED

"DEMENTIA" AND "FREAKS"

Thursday, June 10 - Lecture Hall - 8:30 p.m.

NURSERY SCHOOL

A self-governing, cooperative nursery school will start at the Laboratory in September. Interested parents (including fathers) are invited to attend an organizational meeting to be held in the Apartment Area Recreation Hall on Thursday, June 10, at 8:30 p.m.

**BULLETIN BOARD CLASSIFIED
AD POLICY**

1. Employees only may place ads in THE BULLETIN BOARD.
2. All items advertised for sale must be property of an employee.
3. Real estate ads will be accepted only when they involve change of residence by an employee and are accompanied by a statement of ownership and change of residence.
4. No ads for business purposes will be accepted.

5. Ads must be submitted in writing (preferably typed) by 3 p.m. Friday for inclusion in the next week's newspaper. Address the ads to THE BULLETIN BOARD, 58 Brookhaven Avenue, or deliver them to the Personnel Office. Ads must contain a signature and Laboratory telephone extension. If you do not want your name to appear when the ad is printed, put it in parentheses.

PERSONNEL SERVICES

Recreation Office - 3 Center Street
Daily 9:00 a.m. - 1:00 p.m.

Hippodrome Circus of the North Shore Hospital Auxiliary, June 18, 19, and 20. Ticket information and applications are available.

Discount Tickets - We are now taking requests for reservations at the Westbury Music Fair, Westbury. Tickets may be purchased at a 20% discount.

Schedules and prices are posted at the Recreation Office.

All orders must be placed at least three days in advance.

SWIMMING INSTRUCTION—Cont'd

6. Children will pay daily admission fee (\$.35) or present season ticket to enter Swimming Pool.

Classes in swimming will be conducted in our swimming pool for children of Laboratory employees beginning July 7 and continuing for a seven-week instruction period.

Due to the increased participation in the program, classes will be arranged for each weekday, Monday through Friday; and only one classification will be scheduled for instruction each day. The schedule is as follows:

Class A Monday - Beginner
Class B Tuesday - Beginner
Class C Wednesday - Advanced Beginner
Class D Thursday - Intermediate
Class E Friday - Swimmer

To the best of your knowledge, select and write in on the application below the classification for which your child qualifies.

Beginner - Non-swimmer or not able to swim 30 yards.

Advanced Beginner - Can swim 30 yards but not 50 using the crawl and elementary backstroke.

Intermediate - Can swim 50 yards but not 100 using the breast, side, and crawl strokes.

Swimmer - Can swim 100 yards but unable to perform all strokes and swim continuously for 10 minutes.
