## Football Notes

by Jack Brennan

The Gazelles came back from a 20-6 deficit to score three times and beat the Slow Pokes 26-20. The Slow Pokes scored first, Charlie Johnson taking a long bomb from Tom Prach. Greg Ogeka tied the score with a diving catch in the end zone.

The Slow Pokes led at half time 13-6, Prach finding Rick McGoey all alone in the end zone. Two minutes into the second half, Prach hit Murray Gottfried with a long bomb and a 20-6 lead. The Gazelles then found a vulnerable spot in the Slow Poke defense, the deep middle. Bob Casey hit Jim Hooper at this spot for a Gazelle T.D. to narrow the lead to 20-13.

The big break of the game came on the next kickoff, Casey intercepting a Slow Poke lateral. The Gazelles tied the score as Casey found Andy Fogarty over the middle deep. The winning T.D. was made as Casey found Fogarty all alone in the end zone. A poor Gazelle kick gave the Slow Pokes a good shot to tie it up; but, Bob Casey, burned one for a T.D., knocked down two passes then sealed the game with an interception.

The Slow Pokes beat the Phoubars early in the week 39-6. McGoey (2), Johnson (2), John Aloï and Tom Jesaitis had the winner's T.D.'s, while Ben Magurno had the loser's lone T.D.

Bio-Meds beat the Red Dogs 24-6. Hurley Myers with two T.D.'s, one on an interception. Bob Dickerson and Bob Bores did the winner's scoring.

Gazelles	5	0
Slow Pokes	4	1
Bio-Meds	3	1
Hi-Balls	1	2

## Bowling News

Grace Fales

### Red League

All the highs changed hands last week with R. Nelson taking most of the honors - scratch game 246/608 series, and high gross game of 263. Jim Mallins took over high gross series with a 669, and the Alley Cats taking high team series with 3024. The 200 club consisted of R. Nelson 246/203, W. Reams 220, J. Mallins 215, W. Kollmer 203, and J. Richter 200. And, with all this activity, the Alphas moved into 1st place.

### Green League

High games for last week were reported as R. Vignato 200, R. Skelton 203, C. Zavesky 208, B. Danaher 209, R. Marlow 233, and J. Lauber 234.

### Pink League

Audrey Bangel helped to clobber the Pinsplitters with a 455 scratch/677 gross series (missing an award by one pin). Grace Fales came through with the high game for the night again with a 181. Other highs were Mary Craig 166, Mary Wiesen 158, (she was helping Audrey), and Charlotte Martins 149. "Bio Boozer" still holding on to first place. The secretary of this League, also the captain of her team, reports that they - "Fiscal Assets" will not, under any circumstances, give up the cellar. Unless - they all agree to switch to Martinis and then we'll have some action, she doesn't know about bowling - but action YES.

### Black & Blue League

Bob Eberbach reports that they may not be the best bowlers in the Laboratory, but he thinks they are having the most fun; he has not enjoyed bowling like this for years. AR's are in first place, with the Pacesetters one point behind. Dick Murgatroyd was high for the men with a 500 series, and Terry Van Dervoort for the women with a 404 series. Ellie Murgatroyd was railroaded into being the League Representative.

It's that time of year again! The Annual Visitors' Days are fast approaching - High School Visitors' Day on October 17, and General Visitors' Day on October 31. For the information of all our readers, the staff of the Brookhaven Bulletin is distributing this week copies of our Special Edition which is given to all Laboratory visitors to familiarize them with Brookhaven's research facilities.
