## SHINGLES PLACED ON SABINE HOUSE

During the last week the Island Asphalt Roofing Company placed all of the shingles on the roof of the Sabine house and Laboratory workers spent the last week-end installing shingles on the side walls, almost completing the job.

Next week-end plans are to complete the shingling and start insulation in the interior of the building. The sash on exterior doors will also be installed.

Staff members have been generous in using their spare time to work on this worthy project, but there is still a great need for skilled and unskilled labor each week-end. Every staff member who has not taken part in this project should call George Wagner, Ext. 2158, and arrange to participate.

Those who worked last week-end were:

Harold Euler  
John Lorenc  
Joseph Lummo  
Eric Boerner  
Ed Nestor  
Budd Follock  
Larry Fuller  
Jack Craig  
George Wagner

## FISHING CLUB TO MEET FEB. 21

The next meeting of the Fishing Club will be held at 5:00 p.m. on Monday, February 21, in Building T-317. Officers for the club will be elected at this time.

## FIRE EXTINGUISHERS AVAILABLE AT DISCOUNT

Arrangements are being made by BERA that will enable staff members to purchase fire extinguishers at less than retail prices. In order that staff members may purchase the type most suitable for their purposes, Budd Follock asked Julius Hannoch, safety supervisor, to outline the various kinds of fires and the types of fire extinguishers most suitable for each case. All of this information has been prepared in mimeograph form and may be obtained by calling Ext. 2225.

## TENNIS COURT NOW AVAILABLE FRIDAYS

Starting this Friday, February 18, and continuing every Friday thereafter, the tennis court will be set up from 11:30 a.m. until 2:00 p.m. The court will also be available every Tuesday as usual.

## RENTAL LIBRARY POPULAR FEATURE

Staff members have been quick to take advantage of the Rental Library installed by BERA in the Recreation Office in the Gymnasium. More than 40 books have been withdrawn from the Library and the list of members is growing daily.

The most popular book is "Dinner At Antoinette's". This is one of the best sellers and is near the top of all the newspaper book lists. "The Big Fisherman" is second in popularity and "The Naked and the Dead", one of the most recent books about the war, is also in great demand. "Elephant and Castle", Hutchinson's newest book, is being read by many staff members.

Several copies of all of the latest books are on the Library shelves, but in the event that no copies are available, a request card can be left at the Recreation Office and staff members will be notified as soon as the books they want have been returned to the Library.

## GOOD NEWS FOR CAMERA FANS

L. C. Mayer Co., Inc., whose catalogs are located in convenient offices on the site, now carry Universal cameras and accessories, prices are available at the Recreation Office, Ext. 391.
