BROWN WINS FLAG TOURNAMENT

With fifteen strokes to spare after he had finished the eighteen holes, Bob Brown (Photography) coasted in as the winner of the Flag Tournament, a feature of the June Golf Tournament held Saturday, June 25 at the Bellport Golf Club.

Despite the extreme hot weather, twelve hardy staff members took part in the tournament which started at 9:00 a. m. and it was 2:00 p. m. before the last dehydrated contestant reported at the nineteenth hole.

Louis Lento placed first in the "hole in one" contest, setting his ball down within three feet of the pin. Lester Homer was runner up in this event.

Lou Darling and Tom Marrion tied for least number of putts with 30 each and Dr. Marvin Fox was the only golfer able to place a ball on the fourteenth green in one stroke.

THEATER TICKETS AT REDUCED PRICES

The Recreation Office has made arrangements with the Bellport Summer Theater to obtain tickets for all presentations at reduced prices. Reservations may be made by calling the Recreation Office, Ext. 391.

MIDSUMMER DANCE JULY 29

The popular BERA Midsummer Dance which attracted an overflow crowd last summer will be held on July 29 in the Research Staff Lounge. Music will again be furnished by Greco's Orchestra and the donation fee will cover free beer and set ups, and the appetizers that go with them.

Full information as to where entrance cards may be obtained will be published in a later edition. In the meantime, write the date in your engagement book, Friday, July 29.

Staff members desiring information about bathing beaches, picnic grounds and other recreational facilities in Suffolk or Nassau Counties may obtain full information by calling the Recreation Office, Ext. 391.

DOG TRAINING CLASSES DISCONTINUED

The Monday evening dog training classes have been discontinued. Another class under the direction of Milo Pearsall will be started in Riverhead on Monday evening, July 11, at 7:30. If interested, call Extension 403.

Upton Rifle and Pistol Club members are reminded that next Saturday afternoon, July 2, work will proceed on the construction of the 22 caliber range. All members are requested to be on hand.

SOFTBALL ANALYSIS

By Walter Thorne

The softball season is now winging through its 2nd quarter with Chemistry breathing hard, and two make-up games to be played. It is rumored that Ralph White, Chemistry's bench brain, is pointing for a coach of the year award. Originally, Ralph formed this team in order to assure himself of a playing position, but now, with so many better than fair players, he finds himself still warming the bench. Pat Rooney of the Fire Department Alumni, and now with Chemistry, tagged one of the longest drives of the year over the center fielder's head in a recent game with the Machine Shop.

Materials Control, under Phil Borzi's reins, is running a close second to the league leaders. A word to the wise - do not amble to 1st on what looks like a clean hit over 2nd base as a throw from their left fielder, Johnson, may just put you out.

The Info - Pub - Photo team is starting to move with their tight fielding and the superb pitching of L. O'Laughlin plus the management of Bob McKee. Watch them!

Nuclear Reactor is a dangerous contender who should finish with the first three in the final outcome. Charlie Binge is doing a fine job with this team and they will really roll once they rid themselves of their one bad defensive inning. Definitely first place material.

SOFTBALL RESULTS - Week Ending June 24, 1949

Nuclear Reactor 27 - Drafting-Fiscal-Purchasing 12

Phubars 7 - Chemistry 2

Machine Shops 8 - Materials Control 0

STANDING OF THE CLUBS AS OF JUNE 24, 1949

	Won	Lost
Chemistry	4	1
Materials Control	5	2
Phubars	3	3
Machine Shops	3	4
Nuclear Reactor	3	4
Drafting-Fiscal-Purchasing	0	4

GAMES TO BE PLAYED - Week of July 5

Tues., July 5 - Nuclear Reactor vs. Machine Shops

Wed., July 6 - Chemistry vs. Materials Control

Thurs., July 7 - Phubars vs. Drafting - Fiscal -
Purchasing

The Machine Shop is gradually moving into the picture with the much improved pitching of Bill Foster. Bill looks as though his control is right under his thumb if he continues pitching as he did against Materials Control. Don't sell this team short, they'll be up there too.

The Drafting - Fiscal - Purchasing team, although hampered earlier, is now getting under way. They have bolstered their team with a number of good ball players, including J. Amaro, McCauley and P. Roman. These boys are aiming to upset the

league leaders and turn the league inside out. Anyone interested in playing ball, call G. Tiller on Extension 557.

A word of thanks is extended to Bob Shaw and all the umpires who have been handling the games thus far this season. Since there have been no protested games as yet, the umping must be right on the ball.

The final analysis finds this league so hot that at the end of the season there should be five teams in 1st place, with Drafting - Fiscal-Purchasing placing 2nd.

CLASSIFIEDHomes Built To Order

Located on Hawkins Ave., Lake Ronkonkoma - Price of Basic House: \$5,450 - This house has four rooms, consisting of two bedrooms, living room and kitchen with modern bath. Kitchen has ample cabinet space and tile board wainscoting. Electric hot water heater. Hot air floor furnace. Plot 50 x 100 ft. Additions can be made at small cost. A wealthy man decided to build a house in a secluded spot in the backwoods. He had an architect draw up the plans and sent them to a local carpenter with instructions to follow the blueprints exactly.

Several months later he went to see what progress had been made and found not a single plank had been cut. He asked the carpenter for an explanation.

"Them blueprints was done by a crazy man," the carpenter informed him. "Why if I was to build the house the way it's laid out you'd have two bathrooms."
