THEATRE NOTES

The B.N.L. Players will present two grand nights of hilarious entertainment this spring when the popular comedy "You Can't Take It With You" is offered to the B.N.L. employees.

The script committee of Dr. Wilma Sacks, Andy McReynolds, Saul Harris, Maria Kingston, Ken Sancier, and "Chris" Christopher have selected this play which many B.N.L. players have been wanting to do.

There is much work to be done, and it will require a large number of active people to do it. Fifteen actors and actresses are required for the cast alone and in all probability, twice that number will have to function behind the scenes in order to produce it.

At the meeting to be held Monday, February 5, it is hoped that a start will be made toward filling the post of director and the other necessary jobs. Come and offer your services if you have any interest in the action side of the foot lights. New members welcome - no dues.

For information about the "Players" and what you might do to help, call President Ellen Reidy at Ext. 2301, any of the script committee mentioned above, Dick Vogt, Recreation Office, or anyone you know to be one of the group. Come on in, the water's fine!
