## BERA DANCE MAY 3

Gymnasium

CLAUDE THORNHILL + ORCHESTRA

It's all over but the dancing! Everyone can sit back and relax until Thursday evening -- That is everyone except those who haven't bought their tickets. So those who have been putting off their ticket buying -- get them now and remember that beginning Wednesday, May 2, tickets will only be sold at the Recreation Office. No tickets will be sold at the door.

Ladies -- Remember that evening dresses are not required -- wear whatever you like but look your prettiest!

And speaking of "pretty" -- you won't recognize the gym when you see it! You'll be dancing under a Spring canopy of green, pink and yellow with soft lights and colored spots. The band will be located at the west end of the gym on a specially built platform and the new kitchen at the east end is all equipped and the bartenders will be on hand to serve beer in cans or from the keg and set-ups. You can help yourself to pretzels and potato chips.

This is the dance of the year -- the only dance so don't miss it. The music will start promptly at nine p.m. so be there on time and get your two dollar's worth.

It's Claude Thornhill and his orchestra from nine until one on Thursday, May 3. Bring your friends and have a wonderful time!!
