AL LEHMAN TO "CALL" AT B.N.L. SQUARE DANCE ON AUGUST 10

The tremendous success of the July 10 Square Dance has occasioned the numerous requests for a repeat of what was the most amusing "event" of the season.

The Square Dance committee of B.E.R.A. has engaged Al Lehman and his dance group to produce the biggest, gayest Square Dance ever held at B.N.L. Lehman is known as one of the best and most amusing callers on Long Island. He has performed for many schools, hotels, clubs, and on television. Noted for his "sparkling" style and remarkable teaching ability, he has converted beginners into "experts" in the course of a single evening; but his versatility and wide repertoire has entertained even the most sophisticated "hay loft operators."

Because of the large response to the last dance, the committee has decided to expand into the gym which is cooler and much more spacious.

Tickets are already available at the recreation office. Friends of laboratory employees may be invited, and will be admitted upon presenting their tickets at the gate.
