THEATRE GROUP

The next general meeting of the Theatre Group will be on Wednesday, September 19, at 5:15 P.M. in the Lecture Hall located next to the Research Staff Bldg. Important matters are to be discussed and voted upon.

Since the activation of the new constitution, only those people who have attended recent meetings - since the presentation of "You Can't Take It With You" - and submitted information cards indicating their interest in taking part in the group will be considered full members - that is, entitled to voting privileges and to attendance at meetings in which play readings are to be given. Therefore, if you're an old member who hasn't been to a recent meeting, if you're interested in joining the group, or if you're not sure whether you have filed a card, please check with the Secretary, Jean Snover, Extension 424, or send a 3 x 5 card to her containing your name, lab address and phone extension, and which type of activity interests you, by Monday, September 17.

If anybody has scripts, of previous plays, which belong to the Theatre Group, please return to Maria Kingston since a library of scripts is being formed.
