CONCERT GROUP

Sales of memberships in the Concert Group for the 1951-52 season have already begun and are well under way. For those who missed the first announcement of the series, the artists and dates are as follows:

October 22 - M. Horszowski, piano soloist
 November 26 - The Albeneri Trio
 January 21 - Ann Ayars, soprano
 February 18 - The Griller String Quartet
 March 19 - Reginald Kell, clarinetist, and
 his Chamber Players

Membership in the Concert Group is only \$5.00 and entitles the holder to admission at all five concerts. Laboratory, AEC, AUI employees, their families and friends are eligible. You are reminded that if you prefer to hear only four or even three of the series, the average cost per concert is still very reasonable.

CLASSIFIEDNotice

As a result of the many persons showing interest in a car pool to Hofstra this fall, it is evident that transportation can be arranged for almost any type of program scheduling. It would be appreciated if those persons planning to participate would phone as soon as they are registered and program scheduled, so that definite car pool arrangements can be made. Call M. Lefkowitz, Ext. 458.
