SEE YOU AT THE THEATRE

ALL MY SONS

THURSDAY OR FRIDAY - 8:30 P.M.

The cast and the crew for the Theatre Group's presentation of Arthur Miller's "All My Sons" are polishing away to perfect their departments - all that's left for you to do is get your ticket. Tickets are \$.75, are good for either performance - the only gimmick is that employees must sign a ticket which they sell to a non-employee - if you've been to the cafeteria recently, you've had an opportunity to get tickets there; and if no eager sales agent, not even Murrey Goldberg, has penetrated your corner of the lab, make an anonymous phone complaint to either Wilma Sacks, Ext. 301, or Leona Schloss, Ext. 2270, and sit back for action.

IMPORTANT NOTE - TO THE SKEPTICS: We're an amateur group with not a great deal of previous training nor leisure time. This is the first time we're trying a serious play; we know it requires a great deal more than a comedy, and we believe we're going to do a worthwhile job on a fine play. Don't you think it's worth gambling \$.75 to see?

UMPIRES NEEDED

Additional umpires are needed for the BNL Softball League. Games are played weekly, Tuesday thru Thursday at 5:15 p.m. Umpires are paid each game. If interested, call Recreation Office, Ext. 391.

BNL ANIMALS ON W-A-L-K

The care and feeding of animals used in Biology Department research will be described Wednesday, May 21 by Peter VanRee, Brookhaven animal caretaker, over WALK, Patchogue's new radio station, 1370 on the dial.

In a tape-recorded program featuring the "voices" of hamsters, guinea pigs and ducks, "Van the Animal Man" will be interviewed by Miss Ailene Sybil, who is the wife of Eli Goodman of the Reactor Department. The interview will be part of the program, "Especially for the Ladies," which begins at 10:30 a.m. with news of club activities in the Patchogue area.

CAMERA CLUB

The next meeting of the CAMERA CLUB will be held on May 21 at 8:00 P.M. in the lounge of the York Lane Recreation Hall. Charles Stevens will give a talk and demonstration (cont. on p. 2)
