## 2<sup>ND</sup> ANNUAL MIDSUMMER SQUARE DANCE

PROMENADE ALL, OH PROMENADE ROUND  
WITH THE BIG FOOT UP AND THE  
LITTLE ONE DOWN

to the Big Gym on

FRIDAY, JULY 18th, at 8:30 P.M.

There's BIG NEWS about the dance this year. We've got a very special treat because the caller is going to be Long Island's best beloved PAUL HUNT (of the golden voice and the magic accordian) with real old-time music by his band, the Rock Candy Mountaineers.

What! You've never square danced? Well, just hie yourself over in good time for the start of the evening because Paul Hunt is justly famous for his quick and easy introduction to the do-si-do technique and you'll be an expert in no time.

And for all you devotees of square dance fun - here's your chance to try out some of those smooth original dance figures that have built up Paul Hunt's renown over the whole country. If you have a copy of his new book, "Eight Yards of Calico," maybe he'll autograph it for you.

Between the square sets, there'll be time for some waltzes and polkas. There'll be lots of liquid refreshment available, too.

For this whole evening of grand fun in our spacious gymnasium (cooled by those giant blowers), the admission charge will be only \$.75.
