## BROOKHAVEN WOMEN

## ACTIVITIES

The committee that you appointed last May has the following report to make to you:

- 1) One individual from each community will be selected to welcome laboratory newcomers who settle in that community. The laboratory will advise the committee of the arrival of newcomers.
- 2) At BERA Activities Night, Friday, October 17, (you'll be there, we hope) there will be an opportunity to sign up for the interest groups which you have requested:
  - current events - bowling
  - music appreciation - art
  - canasta - bridge - sewing
  - folk dancing (you'll need a man)

If you are unable to attend Activities Night and would like to join one of the above groups, drop a card stating your choices to Jo Tape, Box 398, Port Jefferson or phone P.J. 8-0143.

Activities Night will consist of a movie, concert, one act play, a woodwind quintet, and vocal quartet. Club displays will be open to the public in the gymnasium, beginning at 7:30 p.m. For people bringing children the movie will be shown early. At 8:30 p.m. a program will be presented at the theatre. Following the program, the movie will be shown at the gymnasium for all late arrivals. An orchestra has been hired to play for dancing, and there will be plenty of refreshments for sale. Everything is free except the refreshments.

### THEATRE GROUP TRYOUTS

A casting call is being issued to all Lab employees for an evening of one-act plays to be presented in early December. The plays scheduled are "This Property Is Condemned," a character study by Tennessee Williams; "Going Home," a comedy of suburban life by John Galford; and "Aria da Capo," a fantasy by Edna St. Vincent Millay.

There will be two casting sessions on Tuesday evening, October 7th, in the Lecture Hall on Brookhaven Ave.: one between 5 and 6 P.M., and the other from 8 P.M. on.

Remember, the nice thing about one-act plays is that they're just as much fun as three-acters, but you don't need to put nearly as much time in them!

### ART CLASS

An Art Class in elementary water-color or oil painting under professional direction will be formed if enough people are interested. Lessons will be given on the site. Call Ext. 507.

### RIFLE CLUB NEWS

Sunday, October 12, there will be a heavy calibre rifle meet at the Upton Rifle Range. All persons planning to attend will please notify R. Walton, ext. 2181. Arrangements will be made only for those who have notified the secretary.

### CAMERA CLUB

Camera Club meeting will be held Wednesday Oct. 8 at 8:30 P.M. in Recreation Bldg., York Lane. Plans for Activities Night and Camera Club Contest will be discussed.
