TALK ON COSMOTRON

All BNL employees are invited to hear a talk, "The Cosmotron as an Instrument of Research", given Wednesday, February 4th at 7:30 P.M. in the Research Staff Lounge.

Dr. Clifford E. Swartz, physicist in the Cosmotron group, will give this presentation on the operation of the Cosmotron and how it will be used in research, in a meeting sponsored by Upton's Naval Reserve Research Company 3-9.

PAISAN

Monday, Feb. 9, 1953

Filmed in 1947, Roberto Rossellini directs a memorable picture of the impact of war on a native population and a foreign soldiery. It follows the American and British Armies during the invasion and the months after liberation, beginning with the landing in Sicily and ending in the marshes of the Po Valley. First Prize Awards at the Cannes, Brussels, and Venice Film Festivals.

ART EXHIBIT AND ART CLASS

An exhibition of paintings by the members of the Laboratory Art Group will be on display in the cafeteria during the week of February 9th.

A new 10-week session of the Art Class, conducted by George Cox, will begin on Wednesday evening (7:30 to 9:30 p.m.), February 11th. Beginners, as well as those with experience, will be welcomed. The fee is \$10 for the ten sessions, payable in advance. Those who are interested in joining, call Joan Webster, Ext. 493.
