MORE ABOUT THE COMING CONCERTS

If you're losing your bet on the series, here is the way to console yourself. Of course if you're winning, we don't have to tell you what to do with the proceeds. Here are the five concerts we have booked this year.

JOSEPH FUCHS, recognized as one of the greatest violinists of our time. Wednesday, October 14, 1953.

DONALD MC KAYLE and his modern dance group. This recital to be given at the theatre under the co-sponsorship of the theatre group, is an experiment for us. In the past, there has been much demand for the dance to be included in this series. Mr. Mc Kayle's group has been critically acclaimed as tops in its field. Tuesday, November 24, 1953.

JUILLIARD QUARTET. We need say nothing more about this, perhaps the favorite ensemble to play here. Thursday, January 7, 1954.

JOHN LANGSTAFF, baritone. This will be an encore for Mr. Langstaff and is a consequence of his enthusiastic reception here in the summer of 1952. Thursday, February 25, 1954.

ERNST and LORY WALLFISH, viola and piano. This duo is enjoying great success in American and European tours. Wednesday, March 24, 1954.

All concerts are at 8:30 p.m. in the Research Staff Building (except, as mentioned, the Mc Kayle group which will perform in the theatre.)

Your friends and acquaintances from outside the Lab are welcomed.

Series subscriptions are \$6.00, a saving of \$2.75 over single admissions of \$1.75 (and even the single admissions are of course much less than to hear the same artists in Manhattan).

Tickets are obtainable from:

E. Renkin, Biology	R. Vogt, Rec. Off.
M. Dutcher, Medical	C. Leavitt, Cosmotron
M.J. Sears, Tech. Inf.	E. Courant, T-127
G. Snow, Research Staff	E. Salant, Physics
D. Alburger, Cyclotron	A. Christoffersen, Photog.
R. Wolfgang, Chemistry	M. Kinsley, Hot Lab
I. Kaplan, T-197	A. Schardt, Electronics
J. Levin, Reactor	M. Kuper, Administration
G. Cox, Photography and Duplicating	

CAMERA CLUB

The first season-meeting of the Camera Club will be held Wed., Oct. 7 at 8:30 P.M. in the Recreation Hall.

At this meeting 35 mm slides will be shown. If you have any slides taken during the summer or on your vacation, bring them to the meeting.

Come and join us. The meetings are open to anyone interested in photography.

THEATRE GROUP

There will be a casting session for the one act play "Overtones" in the Theatre from 12:00 to 1:00 on Tuesday, October 6. The play is to be developed as a program for the Theatre Group. Four women are needed. If you are interested, please contact Ken Sancier, Ext. 605.

GOLF

Anyone interested in participating in a golf tournament, please call Recreation Office, Ext. 391.

BNL BOWLING TOURNAMENTS

BNL bowling will start at Patchogue Recreation Center. The Girls' League will begin Oct. 6 at 5:45. The Mens' Leagues will start Oct. 14, Oct. 15, and Oct. 19. In the Monday League there is still room for two teams. Call the Rec. Office, Ext. 391.

FIRE PREVENTION WEEK

Again, it is our happy privilege to report that only two fires in the past year could be attributed to carelessness. Fortunately, these were of small consequence and resulted in no monetary loss to the Lab. The incidence of other fires caused by mechanical failures, chemical reactions, etc., were relatively few.

Truly, this record is encouraging and it reflects a fine co-operative spirit with regard to fires and their prevention by all Lab personnel. However, this record should not be cause for lowering our guard. Potentially, fire with all its ruthlessness is constantly with us.

On and off the job it will pay you well to safeguard against this costly enemy.
