SQUARE DANCE

A long overdue BERA Square Dance has been set for 8:30 p.m., Tuesday night, February 23rd at the Recreation Building in the Apartment Area.

Make a note of the date, get out your old clothes, and prepare to shake a leg. Everybody's welcome - stag or couples. We're all amateurs, so beginners don't hold back. **NO CHARGE FOR ADMISSION - REFRESHMENTS AVAILABLE.**

Camera Club Slide Contest Closes Friday

This color transparency contest is open to all laboratory employees except professional photographers. Each entrant may submit one slide in each of three classes, which are: (1) Portraits and animal pictures; (2) Flower pictures; (3) Rural landscapes. Each slide should be placed in a separate envelope labelled with the name of the entrant and the class in which the slide is being entered. If feasible, the owner's name should appear on the slides also. There is no restriction as to the size of the transparencies. All entries must be submitted by noon on Friday, February 19th, 1954, to one of the following: E. Dollinger - Biology; W. Whittemore - Physics; J. Constant - Electronics; S. Katcoff - Chemistry; Mary Kinsley - Hot Lab; W.E. Smith - Nuc. Eng.; R. Vogt - BERA office in the gym.

The three judges are George Cox, Bob Smith, and Bob Walton. Prizes will consist of \$10.00 gift certificates (good for photographic equipment) for the best pictures in each of the three classes. The winners will be announced at the next Camera Club meeting, Feb. 24th, where all of the slides will be projected. The entrants may claim their slides at that time.

JOHN LANGSTAFF, BARITONE

The next event in the BERA concert series is a recital by the American baritone John Langstaff, accompanied by Robert Drumm, Thursday Feb. 25, in the Research Staff Lounge.

Mr. Langstaff's recital here in the summer of 1952 was enthusiastically received, even by many people who usually say they "don't like singers." His program this time includes:

1. A group of 16th and 17th century songs,
2. Three songs from the cycles "Die Schoene Muellerin" by Schubert,
3. Folksongs and other songs in a more popular vein,
4. A song cycle by Francis Poulenc
5. Soliloquy from "Carousel" by Rodgers and Hammerstein.

Reserve this date and bring your friends to what is sure to be a most enjoyable evening.
