## FLYING SAUCERS?

A talk entitled "Reports on Unidentified Flying Objects" will be given by Major James A. Geyer, United States Air Force, Wednesday, August 4th at 7:30 p.m. in the Research Staff Lounge. All employees, visitors, and students are invited to attend.

Major Geyer spoke once before at Brookhaven, after returning from the hostilities in Korea. At that time he gave an extremely interesting talk on the operation of the Air Force in that theatre.
