Gigi

From the story by Colette, adapted by Pierre Larocque. Directed by Jacqueline Audry. Starring Daniele Delorme, Franck Villard, Yvonne de Bray, Gaby Morlay.

Gigi is a 16 year old girl, who comes from a family of long established tradition: as far back as memory goes, no woman in it has ever been married. A lively, good-hearted girl, Gigi revolts against the strict convention of the old ladies and works out her own happiness by flouting the rules. The buoyant era at the turn of the century is delightfully recaptured.

See Gigi at 8:30 p.m. Monday, Dec. 6 in the Lecture Hall. Admission 50¢

Naval Reserve Schedules  
Two Interesting Talks

All BNL employees are cordially invited to attend the next two open meetings of Naval Reserve Research Company 3-9. Both meetings will take place at 7:30 p.m. in the Research Staff Lounge.

Wednesday, December 1st

The Talk "Magnetic Compass Research" will be presented by Dr. V.W. Cohen of BNL's Physics Department. "Bill" was involved in the work for the Navy Dept. during World War II.

Wednesday, December 8th

A talk on Naval Medical Research will be presented by Dr. J.L. Mac Iver of the BNL Medical Dept. "Mac" has been through some of the unusual Medical experiments the Navy Bureau of Medicine has developed, like the Human Centrifuge. Come out and get a first hand report.

Xmas Candy, Cookies, Cake

Orders for Christmas chocolates, hard candy, cookies, cake, and nuts will be taken at the Recreation Office until Friday, Dec. 17. Orders must be accompanied by full payment.

FOR SALE: 15" Tannoy co-axial loud-speaker in excellent cabinet and an air-coupler for perfect bass extension from 17 cycles down to 28 cycles. Ext. 2212. Bob Reed.
