DO YOU  
HAVE YOUR TICKETS  
FOR  
THURSDAY AND/OR FRIDAY NIGHT?

PICNIC is a love story. It is a small world of people whose everyday life is shattered by the arrival of a Young Stranger. He forces them to see themselves and each other in a new light, and to look for the love they've missed. To each this love may be a different idea -- to be found in a different place -- but always in Kansas.

We're told a Kansan saw PICNIC on Broadway, and hastened to inform his host that he "didn't come from that part of Kansas". But "that part of Kansas" is a sort of home to all of us. It's the place where we have the courage to look for what we want, though we may not find it. Come and see yourself in PICNIC.

Call Extension 667 if you need tickets. And remember to sign the stubs of all those tickets you are buying for relatives and friends.
