Vol. 7 - No. 49

August 15, 1955

AUGUST 15 - ——— LE PLAISIR ——— - AUGUST 15

Directed and produced by Max Ophuls; based on three tales by Guy de Maupassant; "The Model", "The House of Madame Tellier", "The Mask". The cast includes Daniele Darrieux, Jean Gabin, Simone Simon, Claude Dauphin, Madeline Renaud, and Gaby Morlay.

A delightful portmanteau of three de Maupassant stories skillfully brought to the screen with touching irony and keen zest by the sure hand of Max Ophuls, creator of "La Ronde". Mounted, acted, and directed in fine style, with sensitivity and grace, this picture is a notable example of the creation of a successful film from classic literature.
