## FILM STUDY GROUP FALL AND WINTER SCHEDULE

A series of outstanding foreign films have been booked for showing in the Lecture Hall for the fall and winter months.

On Monday, September 12th, a recently released witty provincial French comedy entitled "The Prize" will be shown.

Produced by Marcel Pagnol from a novel by Guy de Maupassant and starring Bourvil, the plot concerns a women's club search for the community's most virtuous maiden. Needless to say the search fails, although the hunt for a male prototype succeeds.

Added to this program will be short film, a winner of the Grand Prize, Vienna Film Festival, 1955, entitled "Sunday by the Sea". This enchanting and original short brings out the genius the British have for showing their people in a realistic, yet kindly light, even with their inhibitions down. Instead of the usual commentary, the adventures are accompanied by ballads made famous in English music halls.

The program for the remainder of the season is:

October 3	Genevieve (English)
November 7	The Imposter (Japanese)
December 5	Annapurna (English)
January 9	High and Dry (English)
February 6	Volpone (French)
March 6	Man in the White Suit (English)

## BNL MENS' BOWLING LEAGUES

### Second Notice

Entry blanks have been sent to all of last year's team captains. Entry blanks for new teams may be obtained at the Recreation Office.

Because of the additional demand for alleys in our area, it is necessary that we decide as soon as possible where the teams prefer to bowl. Therefore, if you intend to have a team, even though your roster may not be complete, please fill out the blank, indicating where your team wishes to bowl and the night, and return it as soon as possible to the Recreation office. When eight teams have indicated the same alleys and the same night, a league will be formed.

A meeting of all team captains will be held at a later date to discuss regulations, date for starting, number of rounds, etc.
