## CHESS

All chess-nuts interested in playing against George Koltanowski, international blindfold chess champion, will have a chance to test their skill Wednesday evening, November 2, 7:00 PM at the Research Staff Lounge.

The plan is for Koltky to play all-comers simultaneously (not blindfolded), follow up with a number of rapid transit blindfold games and finish with a lecture.

It will be a most entertaining evening for all chess fans, beginners or class A players.

Please bring your own boards and men. It will be appreciated if you will notify J. Robertson, Ext. 301, or M. Slavin, Ext. 491, of your intentions to come. There will be an, as yet, undetermined but, "most reasonable" fee - guesstimated at \$1.50 per board (you can play several games at once if you wish).

## PHOTO CONTEST

Here it is--the photographic event of the year! This Tuesday, Nov. 1 is the day for the annual Camera Club colored slide contest. Everyone is invited to come to the showing at 8:15 PM in the Staff lounge. Each lab employee may submit up to three slides, any two of which may be in one category. The classifications are: "homey", "scenic", "bizarre", the last either because of technique or subject. Label each slide with your name and the letter "H", "S", or "B" to denote classification. Only 2" x 2" (Kodachromes) and 2-3/4" x 2-3/4" can be entered. The slide can be left in the recreation office in advance or brought to the Staff lounge no later than 8:15 PM.

## THEATER GROUP READING

"The Enchanted" by Jean Giraudoux will be read at the home of Don and Pepper Fluke on Tuesday, Nov. 8 at 8:30 PM.

Directions: 1/2 mile east of Bellport Station Road on Farm to Market Road, turn North onto Old Dock Road just beyond Barzack Flower Farm. House is about 200 feet in on Old Dock Road.

Anyone interested is welcome.

## CERAMICS CLUB

A surprisingly large number of people have indicated an interest in forming a Ceramics Club. The idea is that the club would purchase the basic equipment for making ceramics such as a kiln and potters wheel, perhaps supported by BERA to some extent. It is hoped that a suitable location on the Laboratory site can be found and that members would use this equipment at their convenience, much in the same manner that members of the Camara Club use its equipment. Also, it appears that there are several people willing to constitute a committee for the organization of this club. If you are interested, especially if you are interested to the extent of aiding in the organization, would you please call Recreation Office, Extension 391.

## THEATER GROUP TRYOUTS

HARVEY will be the next Theater Group production--to be put on this winter. The first tryouts will be held Wed., Nov. 2 at 8:00 PM, and Thurs., Nov. 3 at 12:15 PM in the Theater. There are many good parts, large and small, for men and women. Come and try out, whether you are an old hand or have never been on stage! Scripts are available from Gert Friedlander, T-211 (who will direct the play) or from Ginny Sayre, Admin. Bldg.

## BASKETBALL

It has been suggested that an intra-lab Basketball League be formed. Any departments or individuals interested in participating, please call the Recreation Office, Ext. 391.
