FRENCH COMEDY FILM FEATURED

On Monday evening, May 7, the French comedy "Topaze" will be shown in the Lecture Hall at 8:30 P. M. Adm. 50 cents.

The story turns upon the school-teacher's discovery that the copybook maxims he has been teaching about money being the root of all evil and bringing anything but happiness, are not the aptest guides for the conduct of one's life. By reversing them he achieves all he has missed previously; wealth, friends; a decoration from the "inspecteur" and a beautiful mistress.

Written, produced and directed by Marcel Pagual. Starring Fernandel, Helene Perdiere, Jacqueline Pagual and Jacques Morel.
