VOL. 10 - NO. 8

SEPTEMBER 10, 1956

TALK ON UNDERWATER SOUND

All BNL Employees are invited to attend a talk on "The Role of Underwater Sound in the U.S. Navy", Wednesday, Sept. 12th, at 7:30 PM in the Research Staff Lounge.

This talk will be given by Mr. W.F. Saars of the U.S. Navy Underwater Sound Laboratory, New London. Mr. Saars will supplement the lecture with films and sound recordings.

Since this program will deal with the general aspects of underwater acoustics, all those attending will find it of great interest.

This program is sponsored by Upton's Naval Reserve Research Company 3-9. For further details call A.I. Weinstein, Ext. 610.

Commemorative Stamps now on sale at Upton, N.Y. Few Wheatland left. Labor Day Stamp just in.

BNL BOWLING LEAGUES

Entry blanks have been sent to all of last year's team captains. Entry blanks for new teams may be obtained at the Recreation Office.

Because of the additional demand for alleys in our area, it is necessary that we decide as soon as possible where the teams prefer to bowl. Therefore, if you intend to have a team, even though your roster may not be complete, please fill out the blank, indicating where your team wishes to bowl and the night, and return it as soon as possible to the Recreation Office. When eight teams have indicated the same alleys and the same night, a league will be formed.

A meeting of all team captains will be held at a later date to discuss regulations, date for starting, number of rounds, etc.
