BNL BOWLING LEAGUES

Entry blanks have been sent to all of last year's team captains. Entry blanks for new teams may be obtained at the Recreation Office.

Because of the additional demand for alleys in our area, it is necessary that we decide as soon as possible where the teams prefer to bowl. Therefore, if you intend to have a team, even though your roster may not be complete, please fill out the blank, indicating where your team wishes to bowl and the night, and return it as soon as possible to the Recreation Office. When eight teams have indicated the same alleys and the same night, a league will be formed.

A meeting of all team captains will be held at a later date to discuss regulations, date for starting, number of rounds, etc.

MICROMET

Many employees have inquired about the purchase of Micromet, a soluble phosphate which controls rust, red water, and lime scale in home water systems. B.E.R.A. has made an arrangement to purchase it for employees at a considerable saving by placing a bulk order. Orders, with full payment, will be taken through Friday, Oct. 5. For additional information call the Recreation Office, Ext. 391.
