

# The Bulletin Board

Brookhaven Employees' Recreation Association, Upton, N. Y.

VOL. 10 - NO. 13

OCTOBER 15, 1956

## THEATRE GROUP READING

Thurs. Oct. 18th at 8:30 P. M.

This time there's a good modern melodrama in the offing called "Ladies in Retirement". The women's parts are especially juicy. There are plotting & murder well seasoned with insanity. Harold & Ruth Schwarz are entertaining and promise to have plenty of fresh mortar on hand for the bricking.

Their homicide is at 39 Roberts St., turn east off Medford Ave. 4 blocks North of Main Street in Patchogue. Everyone is welcome.

## CHESS FANS

The demonstration and lecture by GEORGE KOLTANOWSKI, world's blindfold chess champion, will be held on Wednesday, Oct. 24, starting at about 7:30 P.M., in the Research Staff Lounge. Mr. Koltanowski puts on a good show, which includes feats of memory, simultaneous play, stories of famous chess masters, advice on chess strategy for both beginners and experienced players.

All persons interested are urged to list their names with Morris Slavin, Extension 491, so that we may have some idea of the number to expect. Please note that the date has been changed from last week's announcement. Last year's charge was \$1.50 per person and for this year's lecture the charge will be approximately the same, possibly less if more people come out. Outsiders interested in chess may come in if accompanied by BNL employees, or if their names are left at Police Headquarters by the afternoon of Oct. 24. This is a good opportunity for kids just starting the game, so if you are fortunate to have such, bring them along.

## SWIMMING POOL

The Swimming Pool is now open for the winter season. It will be open every Tues. & Thurs. evening from 7:00 P.M. until 10:00 P.M. through the month of April. Daily and season tickets may be obtained at the Swimming Pool Office when the pool opens. For additional information, call the Recreation Office, Ext. 391.

## SQUARE DANCE OCTOBER 23rd.

Get out those dungarees and bright shirts, folks, it's about time for another evening of fun. Make a date now to attend, Tues. evening, October 23rd in the Recreation Hall. Admission free.

## LECTURE COURSES

All those interested in taking lecture courses either for formal academic credit and/or for increasing competence in a given field are invited to a meeting in the Research Staff Lounge on Tuesday at 12:30 P.M. (noon) October 16th. The purpose of the meeting is to solicit comments on the kind of courses to be offered on-site and how a course program, if any, would prove most beneficial.

R.C. Anderson

MICROMET ORDERED BY EMPLOYEES MAY BE  
PICKED UP AT THE RECREATION OFFICE.
