## BERA CONCERT

THE NEW ART WIND QUINTET

Thursday, December 13 at 8:30 P.M.  
Research Staff Lounge

Martin Orenstein, flute  
Melvin Kaplan, oboe

Charles Russo, clarinet  
Morris Newman, bassoon

Robert Cecil, French horn

The excellence of performance of the New Art Wind Quintet, now celebrating its tenth anniversary, is a testimonial to the talent and determination of its founder -- and to the four virtuosi who, with him, have developed an ensemble that may well be without peer in its category. This group has a repertoire of over four hundred works, ranging from the eighteenth century to contemporary works, many of which have been written for this group. The music critic of the Christian Science Monitor writes: "Virtuosos all, sensitive musicians flawlessly blended acoustically and emotionally. With the right music, played by skilled performers, a wind ensemble can become a thing of beauty, charm, and grace."

For their concert here, they will perform works by Danzi, Hindemith, Villa-Lobos, Persichetti, and Ibert. Those who do not have season tickets may purchase tickets at the door. The price is \$1.75 for adults and \$0.50 for children.
