L.R.A. Mardi Gras Costume Party

This Thursday, February 14th, a Mardi Gras dance will be held, in the gymnasium, starting at 8:30 P.M. Everyone is urged to come in costume.

A king and Queen will be crowned, chosen for having the most original costume. Refreshments will be on hand and admission will be just 25 cents. Don't forget --- February 14th is Valentine's Day--- come stag or bring your favorite Valentine. An evening of fun is in store for all.

Theatre Group

A reading of "Tiger at the Gates", (more Giradoux). Many of you have seen this on Broadway and imagined yourself a Trojan. The Sayres will be delighted to let you give vent to these feelings- lots of space and almost no one for miles. It's a bit of a challenge to find the place, but here goes.

Turn south off Montauk Highway on Honey Lane (just east of the Mastic Hour). Go to the end. Watch for the Railroad crossing. Finally you'll be on a dirt road, but don't waiver, their house is the "Guest House" on the sign - Good Luck. Wednesday, February 13.....8:30 P.M.

SECOND ANNUAL SCOUTERS LUNCHEON

Wednesday, February 13

Research Staff Lounge

The guest speaker at the luncheon will be Joseph V. Kelly. Mr. Kelly built up an enviable record as Supervisor of Riverhead Township. His scouting experience has been broad and somewhat unusual, in that he started out as a professional Scout Executive and later served as a volunteer. He has been chairman of the Peconic Bay District and president of Suffolk County Council. He holds the Silver Beaver, the highest award the council can give a Scouter. In short, he is a man who has lived scouting, and can pass its spirit on to others.

Tickets, at \$1.50, are in the hands of representatives around the Lab. See one of them and save them the job of tracking you down. Everyone is invited, the only requirement being an interest, no matter how slight, in Scouting. The lunch, speaker, the company all look to be terrific. Come out and enjoy all three.
