Spring Card Party

Don't forget to be on hand on Tuesday evening, May 14th. Every game ever invented, from Old Maid (pardon the expression, girls) to Red Dog, from hacker's bridge to expert's pinochle, is fair game for the evening. Remember to hunt up a deck of cards (52) and bring it along, or, if you prefer chess or checkers, dig out that old set, dust it off, and come with it.

Come and enjoy an ace high evening out at the **Spring Card Party**. Remember the date: Tuesday, May 14th; the place: the Commandants House; the time: 7:30 P.M.

Swimming Pool to be Reopened

Repairs have now been completed and the swimming pool will be open starting Tuesday, May 21. It will be open Tuesdays and Thursdays 7:00 P.M. - 10:00 P.M. until further notice.

Open Meeting -LRA

There will be an open meeting to discuss the proposed lounge on Monday, May 13th at 7:30 P.M. at the Commandant's House. Theatre Group to present "THE ENCHANTED" Thursday and Friday Evenings, June 13 and 14

As its major production of the year, the Theatre Group will present "The Enchanted" a comedy in three acts by Jean Giraudaux. Adapted by Maurice Valency, "The Enchanted," which starred Leueen MacGrath in the 1950 production, was termed "A fascinating, absorbing adventure."-Robert Coleman. "Has grace, flow and wit. The work of a civilized mind."-Brooks Atkinson.

Giraudaux, remembered for his delightful "The Madwoman of Chailot" and the one act "The Apollo of Bellac" which we presented last summer, has long been one of our favorite playwrights. We think he will be a favorite of yours too. By combining wistfulness and charm with sly humor, he is able to poke fun at some of our more common conventions in a painless fashion.

Plan now to be in the audience on June 13 and 14. We guarantee "The Enchanted" to be as much fun as last season's "Harvey". Friends and relatives who do not work at the Lab are most welcome; however, employees should purchase tickets for friends before the performance.

Gym Closed This Week

Bar-B-Q and Dance

The summer social season rolls into high gear on Wednesday night, May 22nd with the combination barbecue and dance sponsored by LRA at the Commandant's house starting promptly at 6 P.M. The party is the first of its kind in all these many months so be on hand to make it a real success. Remember also, there will be dancing under the stars on the terrace. Lots of food and drinks will be on hand so you won't have to cook dinner. Come and invite your friends - May 22nd.
