## Come to the Theater

The set for THE ENCHANTED is being put together on Tuesday evenings in the Theater from 7:30 P.M. on. Other groups will be working on sign painting and lighting effects. There is still a lot of painting, sawing and wall-papering to be done so haul out your brushes, roll up your sleeves and join the fun in bringing the forests of France to the Theater of Brookhaven.

## SQUARE DANCE - MAY 28

Howdy wranglers - reckon its high time we got together for a little high class socializin'. The social committee is settin' about turin' the old gymnasium into a corral with a hard floor long about now, and come the evening of May 28, there's gonna be a real old fashion square dance.

Hoe down music is gonna be played by Wild Bill Higinbotham and his Fearsome Foursome, and everyone aimin to promenade and swing with the purty gals had best be cleanin' up his Sunday Levis and dustin' off his finest Stetson for the big doins' at the gym. Any tenderfoot can pick up the steps just as fast as he can get thrown by a bronc, only the dancin's just a bit more comfortable.

Natur'ly, the chuck wagon's gonna be on hand to serve up some right fine vittles, case anyone gets a hankerin' to tie on the feed bag, and some long, cool drinks to slake the thirst that comes from a hard ride on the trails.

Just remember to check your spurs and six shooters at the door, seein' as this hyar is a respectable-type sociable evenin', and we don't want to put scratches in the nice shiny gym floor.

So remember, wrangler, the date is Tuesday, May 28th, the time is 8 P.M. and the place is the gym at the old BNL ranch.

## Tennis Instruction

The beginners class for girls has been organized and will start on Tuesday, June 4th at 5:15 P.M. on the tennis courts. Instruction will be given on Tuesday and Thursday evenings for a period of four weeks. There will be a nominal fee to help meet expenses. For information, call the Recreation Office, Ext. 391.
