FALL Hunting Season OPENS!

On Tuesday the 8th of October, there will be in the crisp, clear (we hope), Autumn sky, a rich, full, harvest moon. The cool air blended with the nostalgic smell of new mown hay and the gentle swaying motion of a horse-drawn wagon, should stir romantic memories in the hearts of many a couple—How about reliving those moments again on a good ol' fashioned Hay-ride!?! Naturally the wagon will hold a limited number of enthusiasts so first come-first choice in the hay pile . . . so someone bring a Guitar and everyone call Ext. 391 for reservations!!

WANTED FOR HIRE

If anyone knows of a wagon and horses for hire, kindly contact Tom Coyle, Ext. 481.

THEATRE GROUP

An informal reading of Pirandello's drama "Henry IV" will be held at the home of Ed and Ginie Sayre on Wednesday, October 2, at 8:15 p.m. Everybody is welcome. This particular Henry IV is the 11th century emperor, but yet the play takes place in our time. If this sounds confusing, come and find out for yourselves!

Address: Honey Lane, Brookhaven. Turn south off Montauk Highway into narrow road opposite Mastic Hour Restaurant (2-3 mi. west of Shirley, about 0.3 mi. east of Yaphank Rd.) Keep going for about 1 mi., bear left and follow sign marked Guest House.

DANCE ANYONE?

During the past several years the Arthur Murray Dance Classes, held at the Laboratory, have been very popular and successful. If enough people are interested, another class will be organized this season. For additional information, call the Recreation Office, Ext. 391.

MEN'S BOWLING MEETING

There will be a meeting of all Captains of men's bowling teams Thursday, September 26, at 12 noon at the Recreation Office. Please be prompt.

CONCERT SERIES TO OPEN WITH CHILDREN'S PROGRAM

The BERA Concert Group this year is presenting a series of five performances and, in addition, a special concert for children, The Children's Concert, to take place on Saturday, October 19, at 10:30 AM, will be given by the New Art Wind Quintet. This group gave a delightful performance here last season and has played extensively in the New York City schools. Admission will be 75 cents per person, regardless of age. Friends of Laboratory employees and their children are invited to take advantage of this unusual occasion.

A group of outstanding artists will give the evening performances of the BERA Series.

October 30 - The Alfred Deller Trio. Mr. Deller has been largely responsible for the recent revival of interest in the counter-tenor voice, a male alto of great range and flexibility. Incidentally this was the voice of Henry Purcell, some of whose music will be heard on this evening. Desmond Dupre, who plays the lute and viola da gamba, and Robert Conant, harpsichordist, will accompany Mr. Deller and also will perform compositions for their instruments.

November 25 - The Barylli String Quartet. We are fortunate in being able to hear this wonderful Viennese quartet on its first tour in the United States. Those who have heard the late Beethoven quartets as recorded by this group will readily understand the enthusiastic reviews of the Barrylli performances in Europe and South America.

January 14 - The Albeneri Trio. This group, put out of action by the death of pianist Erich Itor Kahn, is again performing with the beauty which has come to be expected of it. Mr. Ward Davenny, the present pianist, plays as if he has been a member of the trio for years.

March 11 - Mieczyslaw Horszowski, pianist. Mr. Horszowski has appeared previously at Brookhaven as a soloist and with the violinist Alexander Schneider. He is an artist of international renown, acclaimed for performances with orchestras, with chamber groups, and as a soloist.

April 9 - Jean Erdman. This will be a dance program by Miss Erdman who has studied with such famous teachers as Martha Graham, Charles Weidman, and Doris Humphrey. She performed as a soloist in Martha Graham's company for several years before leaving to start her own company. In addition to her dancing and choreographic work in this country Miss Erdman has toured extensively in the Orient.

Performances begin at 8:30 PM and they are given on the Laboratory site. Subscriptions for the series (excluding the Children's Concert) are available at a cost of \$7.50 for adults and \$2.50 for children. Admission to a single concert will cost \$2.00. Tickets may be purchased from D. Alburger, M. Moravcsik, Lulu Grodzins, E. Courant, J. Hastings, W. Chestnut, J. Craig, E. Stickley, M. Perlman, R. Weston, H.R. Cort, D. Gurinsky, and Mary Kinsley. Remind your friends and neighbors about the BERA Concerts.

SWIMMING PARTY

Even though we are experiencing an extended summer, you can bet your bottom dollar there are still some guys and gals who only got three or four days in swimming all summer. Well, here's your chance to really have a swimming good time!!

The pool is going to re-open in October and we are tentatively planning a monster (not sea) swimming party. Everyone is invited to get soaking . . . wet. And to really insure a good

time the water frolics will be followed by an informal dance in the gym. The date will be published soon—sometime after the Hayride.

LAST CALL FOR LADY KEGLERS

The Women's Bowling League will start on October 8 at 6:15 P.M. at the Patchogue Bowling Center, West Ave., Patchogue. If anyone is interested in joining a team or starting a new team please contact the Recreation Office, Ext. 391.
