BOWLING BITS

Monday: The Metal Men continued their fast pace knocking the pins from under the Fire Dept. I team 4 to 0 and climbing to a close second behind the front running Splitters and dropping the Fire Dept. I to third. High game was 201 which was posted by B. Jones.

The Splitters took 3 points from the Operators behind some good bowling by A. Tierney who got a 195.

Three 200 games were posted by the lowly Reefers and Glass House Gang with the former getting the better of it taking 3 points to 1. Those with the hot hand were Lucas 214, Kampe 202 and Holmquest 205. T.H.

Wednesday: Tonight saw the Phoubars and Designers easing away from the pack as their nearest competitors, Fire Dept. and Fiscal failed to keep pace. Phoubars remained in 1st place and slightly increased their lead by virtue of again receiving a Fiscal forfeit while the Designers were edging past a determined ADD Tech. Team by taking the last 2 games and total wood. By comparison, an inspired team of Dirty Birds, led by P. Pion's 487 series and individual games of 159 and 122 by Vern Buchanan and Tom Coyle respectively, stunned the 3rd place Fire Dept. by a 3-1 count. In their bid to vacate the cellar, Ptuiss moved to within 1 game of 6th place by swamping Purchasing 4-0 with Artie Beckworth's 198 game supplying the icing on the cake. E.S.

Thursday League No. 1: The Mixers maintained their lead by taking 3 points from the Technicians, Lento had a 199 game and W. Walsh a 202. The Laticites paced by their captain, Porter with a 205 game and Pinelli with a 209 and Levy with a 199 took 4 points from Biology, thereby keeping their number 2 spot in the league. T-Totalers took 3 points from S&M to move into a 2-way tie for 4 spot. High man was C. Boulin, T-Totalers with a 540 series and 196 high game. Metalliks took 3 points from Fiscal No. 2 (Cellar Dwellers) on "Dead Eye" Weeks' good games. G.T.

Thursday League No. 2: The Joy Riders found the going rough as they lost their first game by 5 pins, the second by a mere 2 pins and the match by 43, enabling the B. Kings to pick up 4 points and move into a tie for 1st place. The League leading Loopers salvaged 2 games from Macaulay's Hot-Shots. J. Nocar (197) and A. Manger (195) proved too much for Nuclides as the Toolmakers shut them out. G.T.

GYMNASIUM PARTIES

The Gymnasium will change its activities from physical to social beginning this Tuesday, as several departments are preparing the building for their Christmas parties. All scheduled gym activities will be postponed until the festivities are over.

PHYSICS DEPARTMENT PARTY

The Physics Department's Christmas Party is scheduled for Wednesday evening, December 18th. It will be held in the Research Staff Lobby. We expect approximately 125 people to attend cocktails at 6, followed by a buffet dinner. Music and dancing will highlight an evening of fun and festivities. Many persons have been hard at work particularly the "Special Committee" set up to include at least one member from each section of physics: Theory, M. Jacobs; High Energy, E. Rappe; Reactor Experiments, I. Nielsen and Ott Kistner; Van de Graaff, M. J. Scott; Solid State, W. Kosiba; Research Staff, A. Whittemore, P. Towey and M. Kugler; Neutron Spectrometer, R. Haas. Special thanks are due to Walter Kosiba who has taken on the chore of figuring and buying our liquor supply and Alice Whittemore for her suggestions and advice concerning hors d'oeuvres and food for the buffet dinner. M. KUGLER, PARTY CHAIRMAN

BASKETBALL

The first game of the evening was a hard-fought affair which was not decided until the last quarter. The Phoubars started fast but Metallurgy finally led at half-time 20-13. The Phoubars again rallied, but early in the fourth quarter Metallurgy broke the game wide open with four interceptions which resulted in 8 straight points. Metallurgy's 45 points were pretty evenly divided, whereas almost all of the Phoubar's 34 points came from their center and forwards.

In the second game Biology started slowly until Augenstine made 2-for-2 free throws. From that point they raced on to a 62-25 win. Health Physics was particularly hampered by a big height disadvantage under the boards. Murphy's 12 points was high for the losers, while Biology had four men scoring at least 10 points each.

Standings	Won	Lost
Metallurgy	3	0
Biology	2	1
Nuclear	1	1
Phoubars	0	2
