Merry Christmas

Happy New Year

## LADY KEGLERS COLUMN

Well, it seems as though we have more than made up this week what we lacked in news for last weeks "Lady Keglers Column". To begin with Mary Perrier of the Chemistry team was in top form which she proved by very nimbly (and, we might say, efficiently) converting not one but two splits - the 2/10 and the 6/7. Carol Leahy (nee Speyer) of the Nightingales team rolled a 154 game with an average of 90. NICE BOWLING! High game for the night was 178, rolled by Chris Podiaski. The first place tie was once again broken with Odds and Ends taking 3 from the Allthumbs and putting them in first place. Another bit of good bowling came with Terry Bianco of the Allthumbs team, who, with a 94 average, rolled a 126 game. Let's hope that after all the holiday celebrations, when we come back to bowling, we have some more examples of "expert" bowling.
