VOLUME 11 - NUMBER 25

JANUARY 22, 1958

THEATRE FACTS

A copy of the "Theatre Information Bulletin" is now available at the Recreation Office. This publication contains all pertinent information on New York and out-of-town plays, such as, name and phone number of theatre, producer, press agent, openings, closings, coming plays, and capsule rundown on cast and plot.

SWIMMING LESSONS

Any employee interested in taking adult swimming lessons, contact G. Sabine, Building 461, Ext. 391.

TABLE TENNIS ANYONE?

Entries are still being accepted for the 1958 BNL Ping Pong Tournament which is scheduled to get underway shortly. Elimination contests will be held in both singles and doubles. Trophies will be awarded to the winners. January 24 will be the deadline for signing up - so do it now! Recreation Office, Ext. 391.

CAMERA CLUB

BNL Camera Club dark room will be closed for alterations until further notice.

THINKING OF A COSTUME?

Don't forget - February 14 there will be a masquerade dance sponsored by the Laboratory Residents Association. Everyone is invited! It will be held in the Recreation Hall in the apartment area and the price, which is just \$1.00, includes all the beer or soda you can drink.

Plan your costume now. Prizes will be awarded for the best costumes.

SILVER BEAVER AWARDS

On Saturday, January 17, at the Boy Scouts of America Annual Fellowship Dinner, two of Brookhaven's employees were presented with scouting's highest award, The Silver Beaver. Bob Fuchs (Reactor) and Walt Tucker (Hot Lab) were singled out for this honor by the National Council, for their outstanding service to boyhood both in and out of scouting. In the entire Council only 20 men out of approximately 5,000 volunteers have been so honored. Congratulations Bob and Walt!

DEAN OLSEN

to speak about STONY BROOK COLLEGE

The Federation of American Scientists will present a luncheon talk by Dean Leonard K. Olsen on the New York State University College now located at Oyster Bay, but which will be moved to Stony Brook. It is a college specializing in science and engineering, and therefore of particular interest to the Brookhaven staff. Dr. Olsen will discuss the plans for the college and its possible interaction with Brookhaven.

Everyone is welcome to attend. The talk will take place in the Gymnasium beginning at 12:15 p.m. on Friday, February 6, and sandwiches and coffee will be provided on request. Anyone wishing to have sandwiches provided for them at Cafeteria cost are asked to call Marianne Kugler, Ext. 424. At this time also, there will be an election for members of the 1958 Executive Committee of F.A.S.

LADY KEGLERS COLUMN

Well, after three weeks vacation (2 due to the holidays and 1 due to inclement weather), the Lady Keglers resumed their bowling activities Tuesday night with the Odds and Ends insuring their first place lead by taking two from the Handicappers. Biology took two from the Nightingales, thus giving them a tie for second place with Medical who lost two to Chemistry. Mary Perrier came in with two good games a 162 and 156; Dot Carpino came in with a nice 172, Grace Siemen came in with a 195 game, following it up with a 193; and Carmel Audet rolled a 167. Health Physics and the All Thumbs postponed and will bowl it off this Thursday night. GR. S.

ICE HOCKEY

Special group discounts, from Madison Square Garden have been made available to BNL employees and their families. Identification cards, which will be honored for discounts of approximately 35% are on hand at the Recreation Office, Building 461. With these cards, tickets may be purchased for two New York Ranger hockey games. For additional information call George Sabine, Ext. 391.

BOWLING BITS

Thursday League No. 1 - The Mixers paced by the antics of Joe Cardomone, steady bowling of W. Patanjo and clutch bowling of Capt. W. Walsh, 515 series clobbered Fiscal No. 2 for 4 points to lengthen their lead by 6 points. The T. Totalers helped by R. Dvoraks 588 series 214 game took three points from the Latticites. The Technicians nudged the Biology crew for 4 points on the steady bowling of Leo Redmond 567 series, 210 and 205. The Metalliks took 4 points from S&M paced by Tremels 556 series, 200 game.

Thursday League No. 2 - The Hot Lab gang aided by "Arch" Macaulay, 508 series took 4 points from the Nuclides to increase their lead by one point. Capt. Watson's Bismuth Kings blazing with "Flashy Freddie" Cermaks 196 games and W. Kalinowski's 191, swept 3 points from the struggling (one point) toolmakers. Nocar was high man for the losers with a 528 series, 199 game. The Loopers led by Tim Malloy, 511 series took the 209ers for 3 points. G. Fales was high for the losers with a 486 series. The Woodbutchers were given 4 points on a forfeit by the Joy Riders. They must have been Joy Riding elsewhere???

METALMEN TAKE EASY FOURTH

In the first basketball game of the evening Metallurgy smothered Health Physics 60-29. This made their fourth straight win and set them up as the team to beat. Jim Brandon's 20 points and some smooth team pass work were the game's highlights.

In the nite-cap the Phoubar Phive kept their one game winning streak alive as they subdued a pepped up Nuclear Eng. crew. For the second week in a row Phoubars (tied 26-26) at the half time, came alive in the last 4 minutes of the game, to win by an identical score 58-45.

BASKETBALL THIS TUESDAY

7:00 p.m. Metallurgy vs. Nuclear Eng.

8:15 p.m. Phoubar Phive vs. Biology
