VOLUME 11 - NUMBER 32

MARCH 12, 1958

LADY KEGLERS COLUMN

First place in the Ladies League is, once again, all tied up between Odds and Ends and the Medical team. This is the result of the Odds and Ends taking three from the Allthumbs, and Medical losing two to Biology. The Odds and Ends victory was helped along with the conversion of three splits; Grace Siemen converting the 3-7 and 5-7 splits and Helen Kelly converting the 5-7 split.

High game for the night was Martha Hill's 186 with follow up of 180 - Grace Siemen, 178 - Ellie Norton, 170 - Joan Smith, 169 - Helen Kelly, 168 - Rosemarie McCann, 163 Rose Hughes and 162 - Betty Bloxson.

With only four weeks left to bowl, most anything can and probably will happen. First and second places are open to any and all teams in the league, so watch closely for the next stirring episode.

GRACE SIEMEN

BOWLING BITS

Wednesday: Tonight saw a first as far as the Dirty Birds were concerned as they trounced the ADD Techs 4-0 in their most serious attempt to vacate the cellar. Honors for the night belong to J. Grisoli, V. Buchanan and W. Walsh with high games of 167, 169 and 165 respectively. Fiscal did equally as well as they white washed the Ptuis. Meanwhile the Designers and Phoubars set the stage for their up-coming match by defeating their opponents Fire Dept. and Purchasing by a 3-1 count and thus continuing their joint ownership of first place. Fire Dept. paced by F. Bugala's 226 gave the Designers a rough night as both teams rolled well above their average but steady bowling by J. Cuccia, E. Sperry and L. Chirco with respective games of 209, 202, and 199 proved to be the difference.

ED SPERRY

Thursday, League No. 1: The Mixers paced by Capt. W. Walsh's fine 227 game increased their league lead to five points as they took 4 points from Biology. The Technicians took three points from the Fiscal No. 2 team by nipping the last game by 6 pins. The Latticites, aided by Pinellis 203 game, 511 series took three from S&M. High man for S&M was Palermo with a 202 game, 543 series. The T. Totalers maintained their third place tie by taking 3 points from the Mettaliks on P. Roman's 208 game, 529 series.

FREE CARNATIONS!

Without a doubt, it will be the greatest! To make the evening more exciting, the first 125 young ladies arriving will be given a free carnation - whether you're Irish or not. Dancing to the lilting airs of the Syncopators will be fantabulous, and the festivities will last all night. Beer, soda, ice and set-ups will be available and cost of admission is only \$1.00 per person. It will be the most! It's of course the BERA **St. Patrick's Day Dance**, Friday the 14, starting at 9 p.m. in the gymnasium.

B. WALSH

NEW ARTHUR MURRAY DANCE CLASS

On Wednesday evening March 5 at 8:30 p.m. approximately sixty employees and their guests observed the dancing exhibition of two professional instructors from the Arthur Murray Dance Studio. Immediately following, the members joined in a class where the rudiments of the cha-cha dance and the fox trot were shown. A vote was taken later for the preference of dances to be taught in the next ten lessons . . . and included the Lindy, the Cha-Cha, the Fox Trot with some advanced steps, and one other which was not decided upon at this meeting.

However, **many more girls are needed** to make this dancing group a success, as the men outnumbered them almost two to one! So girls, here's your chance. Come to the Gymnasium next Wednesday, March 12, and join the dancing class. Meet your fellow employees while converting to some new dance steps.

Time . . . 8:30 p.m. Cost . . . \$12.50 for ten lessons provided 20 couples sign up; otherwise a slightly higher price than has been quoted!

REMINDER!

The next meeting of the Theater Group will be held on Thursday, March 6, at 8:15 p.m. in the theater. Ralph Segal will present a reading of "Something Unspoken" by Tennessee Williams. Come one, come all.

R. STRAUB

VOLUNTEERS NEEDED!

If you find yourself with a free evening on Wednesday or Thursday, March 12 and 13, come down to the gym and put your artistic talents to work, helping the social committee decorate for the coming St. Patrick's Day Dance, Friday the 14th. Since the basketball teams will be playing Tuesday, we have only two evenings in which to decorate the gym. You can listen to good music and enjoy free beer and soda and at the same time make each one's work a little lighter. Decorating will begin 6:30 p.m. each evening.

INTERNATIONAL COFFEE BREAK

All wives are cordially invited to come and meet their American neighbors and visitors from abroad at an informal International Coffee Break in the apartment area Recreation Hall on Thursday, March 13, from 10:30 a.m. to 11:30 a.m. Off-site wives can help us introduce our visitors to Long Island. Please call either GOver 5-0395 or BELLport 7-0793, if you can come.

PHYLLIS VINEYARD

INCOME TAX FORMS

Federal and New York State Income Tax forms are available at the Personnel Office, Building 185, or at the Laboratory Post Office.

GORDON DANBY • DOROTHY DRISCOLL
TED CONSTANT

Gala Reunion

of

die-hard volleyball players.

Thursday, 6:30 p.m., March 20

Gymnasium -- center court.

HEALTH PHYSICS WINS

The plague is over!! The famine has passed!! Health Physics halted their eight game losing streak.

Two newcomers to the Health Physics team were all they needed to down Nuc. Eng. in the first game of the evening.

Nuclear trailed only 20-16 at the half but fell further behind in the third quarter as H.P. coasted to a 45-37 win. Red Carstens and N. Lark were the big men with 21 and 16 points. Kukacka and Kenny had 16 and 14 for the losers. Congratulations! (Providing they don't carry this thing too far by beating us next week.)

The second game went about as expected. Metallurgy played their usual sharp ball-handling game and led 30-14 at the half. Early in the fourth period they still led by a comfortable 18; but then Bio - with "fifth man" Steve Gar-

rett borrowed from the Phoubars leading the way - closed the gap with 12 straight points at one time. However, time ran out with them still behind 50-44. Hambly and Klamut had 13 and 12 points for the winners and Steffensen of Bio played his best game of the year as he collected 18. Maybe the Phoubars can catch Metallurgy this week.

Second-Half Standings

	Won	Lost
Metallurgy	4	0
Phoubars	3	0
Nuclear Eng.	1	3
Biology	1	3
Health Physics	1	2

Games this week

7:00 p.m. Phoubars - Metallurgy
8:15 p.m. Health Physics - Biology
