VOLUME 11 - NUMBER 39

APRIL 30, 1958

## SWIM CLASS TO BEGIN

The intermediate swimming class is all set up and the first lesson will be given Thursday, **May 8** at 5:15 p.m. at the pool. Employees who have already registered are requested to be present for this first session.

This class will be primarily concerned with correcting and improving swimming techniques. It will run for a period of five weeks with one hour lessons each week.

If you are interested in joining the group there are still a few openings. However, you must be registered by this Friday. For information contact G. Sabine, Recreation Office, Building 461, Ext. 391.

## CAMERA CLUB MEETING

BNL Camera Club meeting will be held Tuesday evening, April 29, 7:45 p.m. at Building T-317 (Recreation Hall in Apartment Area). Mr. Charles Bernholz, Registered Judge, will talk on "Slide and Print Evaluation", using some of his own work for illustration. Members are requested to bring slides and prints for evaluation and comment by Mr. Bernholz. R.A. ABBOTT

## BADMINTON FINALS WEDNESDAY

The final match of the 1958 BNL Singles Tournament will be played Wednesday, April 30 at noon in the gymnasium. P. Richards will oppose A. Ghosh, in a two out of three game set. Ghosh reached the finals with victories over B. Pate, A. Christoffersen and most recently, B. Ray (15-0, 15-6). Listed among Richard's victims are C. Hammond, A. Gody, and W. Johnson. Trophies will be awarded by BERA to the winner and runner-up.

## MIXERS CAPTURE TITLE

The Thursday No. 1 League winners, The Mixers, bowled over all opposition as they crushed their final competitors last week to take the crown of "1958 BNL BOWLING CHAMPIONS". The familiar cry (The Phoubars is Dead!) again arose as the Phoubars proved no match for Capt. W. Walsh's crew.

This final match involved a home and home encounter. In the first half on the Phoubars alleys, The Mixers took two out of three games with plenty of wood to spare. High game honors went to W. Walsh, who rolled 201 and 204. The second half, and the match was practically decided in the first game as the Mixers took that by 120 pins, two out of three was again the decision in the Mixers' favor.

### Roster of BNL Champs:

W. WALSH (Captain) . . . . .	Medical	R. HAMLYN . . . . .	Supply Material
J. CARDAMONE . . . . .	Medical	L. LENTO . . . . .	Security
J. FUHRMANN . . . . .	Shops	W. PATANJO . . . . .	Plant Maintenance

## TENTH ANNIVERSARY

## PHOUBAR PHROLIC

Last call Phoubars, to get in step with the tenth anniversary celebration. To be held May 2nd in the gymnasium. Music by Walter Milian and his Phoubar Phour. Admission \$1.50 per person, bring your own bottle, everything else will be here. Alf Christoffersen will be Master of Ceremonies, and will have full charge of the evenings entertainment. This will include a raffle or two and a suitable door prize will be given. Time 9:00 p.m. to early morning. Remember the Phoubars consist of all people in the Photography and Duplicating Division, Meteorology Division and Technical Information Division, plus any person that has participated in a Phoubar athletic event. For tickets see Alf Christoffersen, Barbara Oelkers, George Sabine, Harvey Marshak, Steve Garrett or Kenneth Boehm.

## JAPANESE FILM COMING

The Film Study Group's next presentation, THE IMPOSTER, is an exciting example of jidai-geki (period drama), in which the picaresque samurai hero and his handsome female aide exhibit astonishing skill in chambara, the traditional swordplay of the Japanese thea-

ter. The plot is escape fiction and historical intrigue laid in 17th century Tokyo, with rival claimants for the royal heritage clashing and scheming. The imposter is finally unmasked on the stage of a Kabuki theater.

**Monday, May 5**

**Lecture Hall**

**8:30 p.m.**

**Admission 50¢**

## 90 PERSONS HEAR DISARMAMENT TALK

Last Thursday evening, the Federation of American Scientists sponsored a talk by Dr. William Higinbotham and Dr. Bernard Gregory. They represented the United States and France, respectively, at a two week conference on Disarmament held recently in Quebec. The combined report pointed out how nuclear weapons can cause complete destruction of our civilization today; that nuclear weapons will be used in any major war; and that we must find non-military means of solving international conflicts or perish.

A Russian scientist at the conference suggested an exchange of students between countries to help increase understanding of one nation with another. A report of this conference given by Dr. Higinbotham at Syracuse is being typed and will soon be available for distribution. If you would like a copy send your name and building number to M. Kugler, Building 459.

M. KUGLER, Sec-Treas.

### SUMMER COURSES AT HOFSTRA COLLEGE

Anyone interested in the evening courses to be given at Hofstra College this summer, can obtain a brochure at the Personnel Services Office, Building 185.

## UMPIRES WANTED

Anyone interested in umpiring softball games in the Laboratory League, please contact G. Sabine, Recreation Office, Ext. 391.

### PISTOL RANGE

This notice is a reminder that the on-site Police Pistol Range is restricted to use by the members of the Upton Rifle and Pistol Club which is covered by appropriate insurance. In addition, no shooting may be done without prior notification of Police Headquarters (phone 411) and without the presence of at least two persons.

Since the Club consists of BNL employees only, friends and family members are not permitted to engage in shooting. There is available a town range for use by anyone living in the Brookhaven township. In general, non-employee visitors to the Laboratory range, especially children, should be discouraged.

### PHOUBARS TENTH ANNIVERSARY DANCE

May 2, 1958 at the Gymnasium.

9:00 p.m.
