BNL HOST FOR CONFERENCE

On May 26 and 27, the Laboratory is host to some 70 participants in the Conference on Bubble Chamber Scanning and Data Handling Devices. While the majority of the visitors are from other U.S. installations working in this field, some of the participants come from England, Italy and Switzerland. Dr. Ralph P. Shutt of BNL's Physics Department has been responsible for most of the arrangements for the Conference.

MEN'S SOFTBALL LEAGUE

Tuesday: The game between Nuclear Engineering and the Potsareebies was called on account of sharks in the water covering the playing field. It looks like we will have to wait until next Wednesday to find out how good the Potsareebies are.

Wednesday: After a half-hour squabble over which ball belonged to who, Metallurgy stepped up to knock out 9 runs in the first inning giving them a lead that the Dirty Sox couldn't catch. Final score was 14 to 4 favor of the Metalmen. Wes Brown belted the only home run of the game.

Thursday: Biology can be credited with three home runs against the Cosmotron which undoubtedly contributed to their win of 8 to 2 despite the groanings of protest by the Cosmotron that there was "side-arm" pitching by Biology. However it was the considered opinion of the umpire that there were no illegalities involved.

Standings	W	L	%
1. Metallurgy	2	0	1.000
2. Biology	2	0	1.000
3. Phoubars	1	0	1.000
4. Nuclear Eng.	0	1	.000
5. Dirty Sox	0	2	.000
6. Cosmotron	0	2	.000
7. Potsareebies	0	0	0

Games This Week

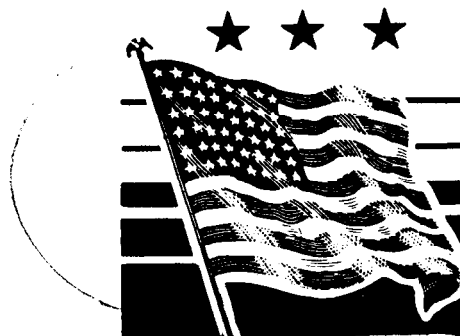

Tuesday - Metallurgy vs. Phoubars
Wed. - Cosmotron vs. Potsareebies
Thursday - Biology vs. Dirty Sox

MICROMET

Starting Tuesday, May 27 orders for Micromet, accompanied by full payment, will be taken at the Personnel Services Office, Building 185. No orders will be accepted after Friday, June 6. This will be the last sale of Micromet until the Fall. For information and prices, call Personnel Services, Ext. 2107.

BNL TO OBSERVE HOLIDAY

FRIDAY

INDEPENDENCE DAY

Memorial Day, Friday, May 30 will be observed as a regular Laboratory Holiday. The People's National Bank will maintain the same hours on Thursday, May 29, that they normally maintain on Fridays. Checks for weekly paid employees will be distributed at the same hours and the same places as on Fridays.

HAVE A HAPPY WEEK-END

THRILLING GAME OPENS GIRL'S SOFTBALL LEAGUE

Last Wednesday night the first game of the 1958 BNL Girl's Softball League was played. The two teams, representing a majority of the departments, took to the field with frightening determination.

The first team at bat, not yet named, scored 8 runs in the first inning, then fell apart in the second inning losing to their opponents, not yet named, by a score of 14 to 12.

Highlights of the game were: Personnel's Genie McConnell's unselfish sacrifices, time and time again; Medical's Dottie Driscoll running interference for batters on way to first base; plus the fact that for the first time nine innings were completed.

We are very pleased with the turn out and spirit of the girls, and we're looking forward to next week's game (Wednesday), when the two teams will again decorate the diamond and make history.

Newcomers welcome.

TRUDI N.

Dr. R.C. Anderson, Assistant Director of the Laboratory, throws out the first ball to start the 1958 Softball Season, climaxing the Inaugural Parade of the Phoubars.

INFORMAL READING OF "THE MATCHMAKER"

Come to Ed and Ginnie Sayer's house this Wednesday evening, May 28, after 8:30 for a reading of Thornton Wilder's farce, "The Matchmaker". There will also be a post mortem on the successful "Edward, My Son". And beer! A large crowd will be welcomed with delight.

DIRECTIONS: Turn off Route 27 on to Old Barto Rd. (just after sign reading "Entering Brookhaven" if going west and just after Yaphank Ave. and Mastic Hour if going east). Cross railroad tracks and follow road in to Cedar Farm, bearing left twice when road forks, to guest house.

BNL SAFETY RECORD

**20 Days Since Last Disabling Injury
(May 6, 1958 - May 25, 1958)**

PASSIONATE SUMMER FORECAST

No doubt about it being a cold and damp spring, but we can guarantee a "Passionate Summer" for you - and we hope you'll enjoy it. Careful now - down fantasies! This is not the announcement of the BNL summer program, but only a dull French film describing a tale of passion set in the mountains of Haute Provence - high in the mountains of Haute Provence, where three French women live alone until a handsome Italian peasant comes to their farm. Each of the three lonely women desires him (oh, that intoxicating mountain air), and secret love leads to jealousy and near-tragedy in the isolated house. Have never heard of Madeleine Robinson, Raf Vallone, Magali Noel and Dany Carrel, but they are all in the picture.

Your last chance to see this stimulating movie before winter. This film will not be shown while summer students are on site.

Monday - June 2, 1958 - 8:30 p.m.
Lecture Hall Admission 50¢

AROUND THE WORLD BY SLIDES

Let us continue our trip around the world during the "Second Color Slide Showing" given by L.R.A. Council. Slides will be shown of Europe, Japan and America with additional slides of paintings by some of the world's renowned artists.

THE PLACE: Research Staff Lounge

THE DATE: Thursday evening, June 5

THE TIME: 8:15 p.m.

Iced tea will be served following the slide showing. A special invitation to attend is extended to persons living on the Laboratory site.

OUTDOOR PHOTOGRAPHY

The BNL Camera Club will meet Tuesday, May 27 at the Lecture Hall, time 7:45 p.m.

There will be a tape recorded lecture by the Photographic Society of America on Outdoor Photography. All members are urged to attend.

BARBECUE PLANS UNDER WAY

Keep Tuesday, June 24 in mind when you check your activity calendar. It's the day of the first barbecue of the summer season, and there's fun in store for all. The Social Committee is hard at work planning sports for the kiddies, not to mention the menu, which will include charcoal broiled hamburgers and frankfurters.

Plan now to dine out on June 24 and enjoy what will be a festive occasion for all who attend.

MICROMET

Starting Tuesday, May 27 orders for Micromet, accompanied by full payment, will be taken at the Personnel Services Office, Building 185. No orders will be accepted after Friday, June 6.

RECREATION OFFICE

The Recreation Office will be closed Friday, May 23 through May 29. For information call Personnel Services, Ext. 2107.
