ANNUAL VISITORS' DAY, OCTOBER 18

The annual Visitors' day will be held this year on Saturday, October 18. Although the general public is invited to tour the Laboratory on that day, BNL employees have the first preference in obtaining tickets for their families and friends. Therefore, it would be appreciated if employees would submit their requests for tickets as soon as possible to Mrs. M. Kuper's office (extensions 436 and 2357), specifying the time they wish to arrive. There will be three periods: 9:30 a.m. to 11:30 a.m., 11 a.m. to 1:30 p.m. and 1:00 p.m. to 3:00 p.m.

In addition to the above general Visitors' Day, it is planned this year to hold two additional "open house" days - one for College students on October 24, and one for High School juniors and seniors on October 25.
