VOLUME 11 - NUMBER 50

JULY 16, 1958

## SOFTBALL RESULTS

### Tues.: Nuc. Eng. 7 - Potsareebies 4

Let's face it, the Potsareebies just don't have it. However, I'll bet they have more fun than any other team that takes the field - including the Dirty Sox and Cosmotron. This evening all ten Potsareebies looked down upon only eight of the Nuclear Engineering team who showed up to play - and play they did.

Meade let go with one of the better pitched games of the season and a home run by Prach helped wind up the game with Nuc. Eng. looking down on the good ol' Potsareebies. Right now it would take a pretty sharp, or lucky, guess to call the turn on who will be the fourth team to play in that last round, what with only .050 percentage points separating the three contenders.

### Wed.: Metallurgy 7 - Dirty Sox 6

Metallurgy came very close to losing tonight - but they didn't. Beautiful fielding by the Dirty Sox, Scott and Stark in particular, held the game to the tight race that it was. Larry ... (didn't get his last name) hit one home run for the Dirty Sox. Brandon belted one for the Metalmen.

### Thurs.: Biology 21 - Cosmotron 11

Biology opened up tonight's game, like so many others, by blasting off 10 runs right off the bat. In the middle of the game they pulled Red Carstens, presumably to save his arm - then the Cosmotron found the new pitcher (and the next one too). This accounted for their 11 runs. Worried, Biology quickly put Red back on the mound and he wound up the game at the score above.

Standings	W	L	%
1. Biology	7	0	1.000
2. Metallurgy	6	0	1.000
3. Phoubars	4	3	.571
4. Nuc. Eng.	3	4	.425
5. Dirty Sox	3	5	.375
6. Cosmotron	1	7	.125
7. Potsareebies	0	5	.000

### Games This Week

Tuesday - Phoubars vs. Metallurgy  
Wed.: Cosmotron vs. Potsareebies  
Thursday - ADD vs. Biology

## BNL SAFETY RECORD

12 Days Since Last Disabling Injury  
(July 2, 1958 - July 13, 1958)

## JAZZ CONCERT

The MARIAN MCPARTLAND TRIO will give a performance in their own brilliant jazz style on Monday, July 21 at 8:30 p.m. in the Research Staff Lounge. Remember this date for an exciting and enjoyable evening. Tickets for the performance will cost \$1.25 for adults and 50¢ for children. They will be on sale at the door on the evening of the performance.

## ENTERTAINMENT PLANNED FOR OPERATION-GET-TOGETHER

A continuous showing of cartoons is planned. This is primarily intended for small-fry but everyone is welcome. Adequate supervision will be provided. A number of "surprise" small-fry activities will be finally decided upon after the information is received on how many of what ages will attend.

A public address system set up outdoors will provide a means for the announcing of events, locating lost parents, calling volunteers to post, and dispensing festive music in between announcements. A sprinkler area for the small-fry will be available so bring bathing suits and towels. There will be a ferris wheel and a "Whip" ride for the smaller ones.

A square dance will be one of the features. The Fearsome Foursome: WILLIE HIGINBOTHAM, ALF CHRISTOFFERSEN, LLOYD O'LAUGHLIN and EWEN DUFF, will provide the music.

The Patchogue Drum and Bugle Corps will march and entertain from 4 p.m. to 4:30 p.m. Don't miss this one.

From about 6 to 9 p.m. the dulcet tones of the Santa Mannino 17 piece band plus vocalist, will provide dance music both old and new. When you hear this music you will want to dance!

## ENTERTAINMENT COMMITTEE

ALF CHRSTOFFERSEN is Chairman with assistance from MATT RUDDEN, BUDD POLLACK, W. HIGINBOTHAM, TRUDY NEUHOF, PAT TOWEY and REGINA MCCONNELL. The program being devised is feasible and should provide lots of fun, especially for the below-teen group.

## ENTHUSIASTIC TURNOUT IN GYM SESSIONS

The popularity of the gym sessions is growing. To date there are 130 registrants with more expected. The activities include badminton, bean bag toss, bowling, checkers, chess, ping pong, croquet, miniature golf, team games (volleyball, basketball, softball) to name a few. Weekly tournaments in selected activities are planned for the remainder of the summer.

Through the point system, now in use, both "winners" and "losers" have an equal opportunity to vie for the trophy which will be awarded at the completion of the program. Current leaders in the point race include Paul Roman, Jr. 480; Tom Roman, 427; Lincoln Freese, 383; Tony Mangiapane, 381; Fred Derod, 338; Arthur DeCartro, 246; John Hostetter, 243; Willie Wilyon, 224; Kathy Swartz, 193; and Anne Anderson, 152.

Sessions are held daily Monday through Thursday, 9 a.m. - 11:30 a.m.

### THIS THURSDAY - JULY 17

Meet at the softball field - 9 a.m. Track and field events, plus softball.

## SUFFOLK SPORTS CAR CLUB

The first event, a 1 1/2 hour novice rally, will be held Saturday evening, July 19 at Mark Osborn's Sports Car Center in East Moriches. (Turn north at the Pine Street light, and right just beyond the fire-house.) Registration will be at 6:30 p.m. with general rules handed out upon arrival. The first car will leave at 7:00 p.m. sharp. A charge of \$1.00 per person will cover the cost of the trophies. All sports car owners and enthusiasts are invited to what should be a very good rally.

## DANCE CLASS

The Arthur Murray Dance Class met again Tuesday evening. The Cha Cha Cha was chosen as the second dance along with the Lindy. Everyone is learning very quickly and enjoying themselves at the same time. It's not too late to join the fun. C'mon over this Tuesday night. We'd like to see everyone out.

## PUBLIC LIBRARIES

On-site residents of the Laboratory may use the Patchogue Public Library. Annual fee is \$2.00 per person.

The Center Moriches Library is also available. The annual fee is \$2.50 per family.

### SCIENCE TEACHERS TO VISIT BROOKHAVEN NATIONAL LABORATORY

Brookhaven will be host to two large groups of visitors this week. On Tuesday, July 15, approximately 30 graduate students from State Teachers College, Montclair, New Jersey will tour the biology, chemistry and physics laboratories. On Thursday, July 17, a group of about 70 participants in the Summer Institute for High School Science Teachers at Stevens Institute of Technology, Hoboken, New Jersey will be given a general tour of the Laboratory's research facilities. This latter institute is sponsored by the National Science Foundation.

### THERE WILL BE NO MOVIE SHOWN ON MONDAY, JULY 21.
