## 1956 ACADEMY AWARD FILM NEXT ON VIEW

### LA STRADA

One of the finest of the recent Italian films will be shown in the Lecture Hall on August 4 at 7 p.m. and 9:15 p.m.

This film like the great films of all time, creates a world of its own, investing the lives of its characters with screen poetry and speaking to the profoundest human emotions through real yet original film images. Fellini's story of a simple-minded waif, a brutish strongman and a philosophical "fool" who travel the highway in Italy becomes, through the artistry of all concerned, a story of every man's loneliness and search for the way of his life.

With Giulietta Masina and Anthony Quinn.

### MOVIE SCHEDULE FOR AUGUST

August 4 ..... LA STRADA  
August 11 ..... THE DETECTIVE  
August 18 ..... FRUITS OF SUMMER  
August 25 ..... TWELFTH NIGHT

All films will be shown in the Lecture Hall at 7 p.m. and 9:15 p.m.. Admission 50¢.

### CAMERA CLUB FIELD TRIP

Don't forget the Camera Club field trip, Saturday, August 2. Everyone meet at Building 317, Apartment Area, 8:30 a.m. Come armed with plenty of film, lunch and a bathing suit.

We leave at 9:00 a.m. **sharp** and will pool cars for trip. Next stop Port Jefferson Harbor Park approximately 9:30 arrival for those on the North Shore and late comers.

If rain, trip will be Sunday, August 3, same time, same place. Everyone come and enjoy yourselves. Those coming please notify Bill Tuttle, Ext. 781 or Ray Abbott, Ext. 2416. R.A.

## DIRECTOR THANKS

### "OPERATION-GET-TOGETHER" WORKERS

From all reports that have come to my attention, Brookhaven's first Laboratory-wide picnic was quite a success. Personally, I was impressed by the magnitude of the operation. Such an undertaking requires a tremendous amount of work and on behalf of the entire staff I would like to thank all of the volunteer workers who gave generously of their time and efforts so that the rest of us could enjoy our first "Operation Get-Together".

### BNL SOFTBALL

**Tuesday:** Nuclear Engineering vs. Cosmotron - Rained Out!

#### Wed.: Biology 5 - Phoubars 2

Stratagy backfired as an intentional walk was turned into a triple, scoring two men on; following an outfield fly this man scored adding 3 runs to two earlier home runs by Biology. The Phoubars managed to get two runs past Red Carstens but they were out-hit and out-pitched all the way. Good fielding by both sides made this a really good game.

#### Thurs.: Dirty Sox 11 - Potsareebies 4

Heebies-jeebies! The Potsareebies - really blasted off to a fine start in this one, with some really long balls hit, scoring 3 runs in the first inning and then putting down the Dirty Sox 1-2-3. But that was that, till the fifth inning. The only fact worthy of note is that there were umpteen rhubarbs between teams, between team and umpire, and between umpires. In the fifth the Dirty Sox scored 5 and in the sixth, 6. The Pots got one more in the sixth.

NOTE: The race to see which teams will play in the third round is now coming down to the wire and is really tightening up. The mathematical fact is - there is a definite and very good probability that at the end of round two there will be a 3-way tie (6W-6L .500%) between the Phoubars, Nuclear Engineering and the Dirty Sox. This, at least, is my fearless forecast.

One other point - the following games have to be made up. My question is, When? Let's get going on this:

Nuclear Eng. vs. Potsareebies  
Biology vs. Metallurgy  
Potsareebies vs. Metallurgy  
Nuclear Eng. vs. Cosmotron

Standings	W	L	%
1. Biology	9	0	1.000
2. Metallurgy	7	0	1.000
3. Phoubars	4	5	.444
4. Nuclear Eng.	3	4	.428
5. Dirty Sox	4	6	.400
6. Potsareebies	1	6	.143
7. Cosmotron	1	8	.112

### Games This Week

Tuesday: Metallurgy vs. Biology  
Wed.: Nuclear Eng. vs. Dirty Sox  
Thurs.: Phoubars vs. Potsareebies

## FIFTH WEEK SEES 193 REGISTRANTS ENROLLED IN GYM SESSIONS

Heading into the fifth week, the gym sessions are averaging a weekly attendance of 250 children with the total registrants numbering 193.

The first tournament of the program was played last week. (Ping-pong being the game.) Geoffrey Berlin edged Jon Hart for the championship. It was a close match but Geoff won the 3 games

of 5 for victory. This week's tournament will feature a bean bag toss.

Despite the cloudy weather Friday, 35 children met at the gym for a hike, which lasted from 9:30 a.m. to 1 p.m. Along the trail we played games, followed deer tracks and actually saw some deer. Eventually we arrived at the Recreation Building in the apartment area where we ate lunch and rested for the return trip to the gym.

Reaching the half way point in the race for the trophies we find the following people leading the pack: Paul Roman 673, Fred Hillerud 587, Tom Roman 534, Tony Mangiapane 518, Arthur De Castro 455, Mike Cantwell 423, Anne Anderson 422, Marilyn Erikson 421, Butch Stevens 388 and Willie Welton 376.

This week's Special Event will be announced during the gym sessions - Daily
