PHYSICAL FITNESS

There have been several requests from employees to start a Physical Fitness Group in the evenings at the Laboratory, which would meet once a week at the gymnasium.

Purpose: To offer an opportunity to participate in a scheduled activity under the guidance of a trained instructor in order to get some exercise in the form of calisthenics, group and individual games or athletic skills. Arrangements will be made for informal classes for both men and women. The desires of those attending the sessions will determine the selection of activities. Here's your chance to get that exercise you have been promising yourself! If you are interested in joining the group contact G. Sabine, Ext. 391, T-461.

FOLK DANCING

Beginning November 10 a folk dance group will meet regularly Monday evenings at eight o'clock in the gymnasium here on site. (We'll move to the more comfortable recreation hall when its new heating system is finished.)

Partners are not necessary and everyone is welcome both on and off-site residents.

Emphasis will not be primarily on American square dances but on authentic folk dances of many widely differing countries and peoples. All dances, starting at first with only simple beginning level ones, will be taught from scratch, but the sessions will be more for recreation than for "lessons".

LIZ AND NEIL LARK

BERA DANCE FRIDAY

39 COUNT 'EM, 39 HULA GIRLS

Step right up, Ladies and Gentlemen, and see the greatest show on earth. The most enticing array of feminine pulchritude on the midway. These swivel-hipped beauties will swish their grass skirts to the music of Mike Greco and his band (with choreography by Alf Christoffersen). All right, sonny, put down that lawn mower and don't hold up the ticket line. Not only that, but we are selling hot dogs and coffee. Potato chips and pretzels are free. Beer and setups are available at cost, and you can bring your own bottle in case you want to add a little flavor to the setups. Put away those ten dollar tickets. Put away those five dollar tickets. Each and every lady or gentleman can step up and walk right in for the insignificant sum of one dollar. Just ten little dimes! So step right up, join the crowd at the BERA South Sea Island Dance and have the time of your life.

FRIDAY, NOVEMBER 7, 9:00 P.M. AT THE GYMNASIUM

Incidentally, we need volunteers to help us with the decorating. If you can, please join us on Tuesday, Wednesday and Thursday evenings to help us prepare our tropical island.

CHILDREN'S CONCERT, Saturday, Nov. 8

JOHN LANGSTAFF

Don't forget the special concert for children to be given this Saturday by the baritone, John Langstaff. Mr. Langstaff specializes in folk music and is an expert at communicating with an audience of children. Young people are notoriously hard to please and quick to detect any insecurity or condescension. That Langstaff is able to accomplish the difficult feat of holding them spellbound is a tribute to his qualities both as a person and as a musician. Children who are already afficianados of folk music will enjoy hearing old favorites. Those who are not will receive a wonderful introduction to an important branch of our musical heritage. Don't miss this opportunity to treat your children to a most enjoyable morning. Admission is available to all at 75 cents per person, children and adults alike. Remember, the concert will be this Saturday morning at 10:30 a.m. in the Research Staff Lounge.

"Mr Langstaff really sings, and he makes music doing it."

—NEW YORK HERALD TRIBUNE

"He is a sensitive program builder and the possessor of a most appealing voice."

—NEW YORK TIMES

"Few singers present a more skillfully chosen list of songs. The entire recital was marked by real musicality and understanding."

—WASHINGTON, D.C., Post

We could go on, but we will close with the last assurance to our foreign visitors.

MICROMET

Discounts on Micromet and Micromet Feeders are available through group buying to BNL employees. Order, accompanied with payment, will be taken at the Personnel Services Office, Building 185, from October 27 through November 10 **Only**.

LADY KEGLERS COLUMN

We have come to the end of our 1st round of bowling with the Frisbees still "flying high". Wednesday night saw them thoroughly clobber the Nightingales by taking all three games. Medical also was right in there for "general clobber night" - they did the same thing to the Allthumbs with the aid of C. Podlaski's 202 game - 475 series.

Other highlights of Wednesday's bowling were:

D. Wimber - converting the 5-7 split.

High games: C. Podlaski, 202; G. Siemen, 188; B. Oelkers, 163; E. Pitti, 161.

Standings and honors at the end of the 1st round are as follows:

	W	L
1. Frisbees	15	6
2. Odds and Ends	12	9
3. Biology	11	10
4. Chemistry	11	10
5. Health Physics	11	10
6. Medical	11	10
7. Allthumbs	9	12

SECRETARY

We are all very proud of GRACE SIEMEN who finished in fourth place in the Suffolk County All Women's League, N.Y. State Elimination Tournament, bowling a 2610 series.

BOWLING BITS

RICHARD LARSEN - 649 POINTS

Wednesday Bowling Maggio's

Ptuis 4 - Chain Gang 0

Bud Pollock's Ptuis don't seem to be the same team as they were last year, still holding the first place spot. Sleeper W. Lambeck's 184 game, 521 series sparked the Ptuis to a 4 point win over the Chain Gang.

The Designers moved into a second place tie with the Phoubars as they beat them out 3 to 1. E. Sperry lead the winners with a 195, 536 series, while R. Brown rolled a neat 209 for the losers.

The Fiscal team took 3 points from the ADD Techs. H. Bohn's 217 and N. Rathvon's 212 games were a good cause for ADD Techs defeat.

Being that the Cosmos dropped from the league the Dirty Birds had a Bye.

Standings

	W	L
1. Ptuis	18	6
2. Designers	14	10
3. Phoubars	14	10
4. Fiscal	13	11
5. Dirty Birds	12	12
6. Chain Gang	7	17
7. ADD Techs	6	18

D. STELMASCHUK

Wednesday Night - PBC

Despite R. Isler's fine 202, the Techs swept 4 points from the Nuclides and gained 2nd place. R. Larsen bowled outstandingly with a 242, 194, and 213 for a beautiful 649 (3 game series). As a point of interest, R. Larsen is currently bowling an average of 181 which is tops for our league.

Down Unders jumped from 9th to 3rd place by taking 4 points from the leaders S&M.

Loopers took 4 points from Biology without a struggle.

Polsecs handcuffed the Hot Lab 3 to 1. F. Bugala rolled a 510 series and E. McFadden a 500 series. G. Walker rolled a 204 for the H.L.
