Metallurgy broke a tie with 2 minutes to go and went on to topple Biology 53-46. Foul shots made the difference, as Metallurgy converted 8 and Biology 1 in the closing minutes. Brandon shattered Biology with 25 points and Lanyi scored 16. Ray jumped for 12 and Marshall 10 for Biology.

FOR MEN ONLY!!

Have you asked your favorite girl to the coming St. Patrick's Dance, Friday, March 13?? It's only ten days away.

LADY KEGLERS COLUMN

HEAR YE! HEAR YE! For the first time this season, the Frisbees are out of 1st place. Not by much, however, just one game. Odds and Ends moved into 1st place by swamping the Nightingales for a 3 game victory, with the help of Trudi Neuhoff's 170, Helen Kelly's 167, and Grace Siemen's 181 and 174. Frisbees lost 3 to Chemistry. A contributing factor was Dot Carpino's 184-514 series (which takes 2nd high series in the league). Medical took 2 from Health Physics, in spite of Pat Majkowski's 171 game. These two teams are now battling it out for position. The Allthumbs took 2 from the Biology team.

CRACK - SNAP - POP

The monthly meeting of the Upton Rifle and Pistol Club will be conducted this Thursday evening, March 5, 1959 at the club room, Recreation Hall, York Lane at 8 p.m.

Movies will be shown at this meeting, refreshments are available. Activity reports will be given by different teams and groups covering the activity of the clubs' 65 members.

The weather is becoming favorable for the outdoor range so oil up the equipment and come out and join the fun.

BOWLING BITS

WEDNESDAY: MAGGIOS

All decorum was put aside last Wednesday night when Handsome Bud Pollock came out of semi retirement in an effort to rally the floundering Ptuis. Although his presence didn't help the Ptuis out of their slump, it did greatly increase the bar business and the general din of the alleys. The Phoubars took first place from the Ptuis in downing them 4-0. For the winners Red Gardener 526, Bob Brown 520, Ole' 512 and Marrion 501.

Harry Maile's 496 series was not enough to stop the 3 man ADD Tech team from making their first sweep of the season.

The pesky Fiscal team had another sweep in blanking the Dirty Birds 4-0. Howie Bohns' 222-548 and Lou Burchill's 524 were the downfall of the Dirty Birds.

Third place Designers had a bye and did not have a chance to improve their position.
