**B.N.L. HOLIDAY
FRIDAY, MAY 29, 1959**

Memorial Day, May 30 will be observed as a regular Laboratory Holiday on FRIDAY, MAY 29. The People's National Bank will maintain the same hours on Thursday, May 28 that they normally maintain on Fridays. Checks for weekly and monthly employees will be distributed at the same hours and the same places as on Fridays. The bank will also be open on Friday from 10:00 a.m. until 3:00 p.m.

BNL SOFTBALL

In the Brookhaven League this week on Monday night the Gnats narrowly took the game from the Cosmotron by a score of 9 to 8. It sounds like it was a real good game. On Tuesday night the Potsareebies and Derelicts donned their underwater apparatus and with the aid of early warning radar played it out on a fog bound Field No. 2. For the Derelicts, Honest Bob McCracken finally started hitting (One beautiful triple) and fielding, but alas to no avail. The Pots won 26 to 9. On Thursday night Health Physics downed Medical 14 to 5.

In the National League on Tuesday night the Dirty Sox and Metallurgy decided that the fog and rain was much worse on Field No. 1 and their game was called. On Wednesday night the Phoubars came bouncing into second place by taking Grounds Maintenance 12 to 9. And in one extra inning, on Thursday night the Thumpers eked out the Old Timers 9 to 8.

BRIDGE

The response from those who are interested in taking bridge lessons or in playing duplicate bridge, was very encouraging and plans are now in the works to start a bridge group on site. All those who responded and others who are interested are requested to attend a meeting in the Recreation Building, York Lane, in the Apartment Area, on Thursday, May 28 at 12 noon.

GIRLS SOFTBALL

We are very unhappy to report that last week's attendance was horrible. Ten girls, out of a possible thirty, showed up.

Not only is this unfair to the girls that do show up, but we are, in a sense, wasting a field that the men have given up so we could have a place to play.

We don't expect all thirty girls to show up every week, and we realize that sometimes it is impossible to make a game. However, everyone appears to be having a good time; the Green Hornet even "buzzed by" last week.

Val Yount pitched a beautiful game and also, due to lack of players doubled for the 1st, 2nd, and 3rd basemen when they were pulled from their positions. So please come out this Wednesday, it's rather tiring having to play four positions.

The final score of Wednesday's game was 8-8. We all felt that that was a happy ending.

We had a good time and can continue to have fun if enough girls come out to make the effort worthwhile.

Wednesday, 5:15 p.m., field opposite the Carpenter Shop.

CRACK - SNAP - POP

The Upton Rifle and Pistol Club pistol shooters held a match with Brookhaven Pistol Club May 17 and lost in a score of 1396 to 1311. Paul Colsman shot high score of 283 for the U.R.P.C.

Large Bore Rifle shooters held their meet at Medford Range on May 24. The last two meets are scheduled for June 7 and June 21 at Medford Range at 2 p.m.

Interlab shoots are being held each Thursday at 5 p.m. on our own BNL Range. Come on out and enjoy an evening of shooting.

Plan to attend monthly meeting, June 4, 1959 at Recreation Hall, York Lane. Everyone welcome. —JERRY EVERLY
