PERSONNEL & DIRECTORS OFFICE TEAM BREWS DEFENSE AS SOFTBALL CHAMPIONS

In a softball game to defend its honor as departmental champions, the Personnel & Directors Office team meets the challenge of the Technical Photography group at Princeton field tonight. Secret skull sessions have been held all week by both teams and the public as well as reporters have been barred from the practice sessions. According to reliable sources the PDO team will have to duel brawn with brains. As of this date the odds have (established) Tech Photo as (flash) favorites. Sources close to the PDO team indicate the game will be played under protest if photographers are allowed on the playing field. Manager Christoffersen of Tech Photo has belittled the odds stating that the PDO team is really loaded. Manager Cantor of PDO declares Tech Photo should be the favorites based on their starting 3 ring line up. Trainers for both teams claim their players are in miserable shape and are playing only on spirit and inspiration.

A large crowd is expected to witness what may go down in history as a sequel to "Mighty CASEY at the Bat."

LATE NEWS FLASH (JUNE 9)

PDO wins upset victory in 3.2 game.

BNL SAFETY RECORD

20 Days Since Last Disabling Injury (May 19, 1959 - June 7, 1959)

Two toe accidents last week had entirely different results. On June 1, 1959 Douglas Daniels suffered only minor bruises when a 2,000 lb. Yale Fork Lift truck ran over the cap of his safety shoe. Elsewhere in the Laboratory on June 4, 1959 a fractured toe (not disabling) resulted from a dropped lead brick. This employee's safety shoes were home in the closet.

NEW SAFETY MANUAL ISSUED

The first complete revision of the BNL Safety Manual since 1953 is currently being distributed to about 250 Supervisors, Engineers and Administrators. Distribution is being made through Department Safety Coordinators. All earlier editions (this one is in a BLUE binder) should be destroyed.

The new Manual, containing both Health Physics and General Safety data and regulations, should prove a valuable tool for those responsible for the safety of others.

DUPLICATE BRIDGE GAME TO BE HELD

A duplicate bridge game will be held Thursday evening, June 11th, at 8 p.m. sharp, at the Recreation Hall on York Lane in the Apartment Area, under the direction of Mr. Hamilton Slechta of Patchogue. Sixteen players showed up for the game on Thursday evening, but we would like a larger attendance, if possible, for the first official game. If you like bridge, and even if you have never played duplicate, Mr. Slechta will be glad to help you get started, and to answer any questions.

People who wish lessons in bridge, should report to the Recreation Hall at 7 p.m. sharp. To make the lessons worthwhile, there should be 4 to 8 people present. Mr. Slechta has taught many bridge classes in and around Patchogue and is considered an excellent teacher.

The fee for participation in the duplicate, or for lessons, is \$1.00 per person.

BNL SOFTBALL

As I predicted last week, the Brookhaven League shuffled its Team Standings around, but with only two games played. On Tuesday the Gnats, Medical game was rained out. On Monday the Potsareebies came up with six runs in the 1st inning and held the Cosmotroners to a 9 to 5 game, putting the Pots in First place. The Derelicts held fast to last place by allowing (without hardly a word of dissent) Health Physics to tire themselves out and let the Derelicts get 5 runs in a (gad!!!) 31 to 5 ball game.

In the National League on Monday in a make up game Metallurgy doubled their score over the Dirty Sox, beating them 10 to 5. On Tuesday the Dirty Sox-Phoubars game was rained out. On Wednesday, in what was actually a very tight game up to the sixth inning, the Thumpers took Metallurgy 6 to 0, the first shut out of the season in either League. In the first five and a half innings the Thumpers were leading 1 to 0, when with two men on Lawrence belted a mean triple, opening the game at the seams. And on Thursday, the big news of the season. The Old Timers came out of the cellar to be tied in 5th place with Grounds Maintenance, by beating them 10 to 9.
