NUCLEAR ENGINEERING GROUP VISITS BNL

Visiting the Laboratory from August 6-14 are 32 participants in the American Society for Engineering Education-Atomic Energy Commission Summer Institute for Nuclear Engineering. The members of the group are teachers at engineering schools throughout the country. They have been at Cornell University this summer and are concluding the program by their visit to BNL.

Other visitors this week are participants in the Physics-Mathematics Institute for Talented High School students at Manhattan College and teachers of Mathematics and Science who are at Sarah Lawrence this summer under the National Science Foundation program.

SUPERVISORS' SEMINAR CONCLUDES

Dr. R.A. Love, Head of Industrial Medicine in the Medical Department, and Len Baker, Safety Services Administrator, spoke at the seminar on the relationship of their respective functions to Laboratory supervision. Approximately 120 supervisors attended the meetings.

C.W. POST COLLEGE HAUPPAUGE EXTENSION

People interested in fall courses may PRE-REGISTER every Monday from 3:00 p.m. to 8:00 p.m. during the month of August at the Hauppauge Senior High School. An application fee of \$5.00 is required. Courses will be given if enough people register. If course is not given, application fee will be returned.

Registration will be Sept. 14-17 from 3:00 p.m.-8:00 p.m. at the Hauppauge Senior High School. Additional information as to courses and tuition fees may be obtained at the Personnel Office, 58 Brookhaven.

ANNOUNCEMENT

We are pleased to report that Dr. Benjamin E. Fitts, an outstanding authority on Employee Benefit programs, has joined our staff. Dr. Fitts will write a column in the BULLETIN BOARD covering the various benefits available to each BNL employee and answering questions pertaining to the BNL benefit plans.

Watch for Dr. Fitts' articles beginning next week.

DUPLICATE BRIDGE

At the duplicate held in the recreation lounge in the apartment area on Thursday, August 6th, we again had five tables of players. Although there were several newcomers, we are still looking for some of you hesitant bridge players who have not yet tried your hand at duplicate. Among our winners were two couples who were familiar with rubber bridge but were novices at duplicate. The oldtimers had better look to their laurels. L. Wood and T. Rohner were first north and south, followed by Jane Morpargo and Bob Schoenberg. Among the east-west players Anne Lamborn and B. Fields were first, and K. Kashiwabara and W. Snow were second. If you do not have a partner come anyway. There are usually several single players available.

TENNIS TOURNAMENT RESULTS

The Mens' Singles Tourney is just about to advance to the semi-finals bracket. Earning a position in this competition were the victors in the following matches: R. Sherman defeated F. Shively 6-1, 6-2; E. Amsterdam defeated L. Lindner 8-6, 6-2; P. Molinoff defeated N. Hein 6-4, 6-1; J. Brandon defeated C. Goodzeit 6-4, 6-4.

The semi-finals in the Mixed Doubles will pit Schoessler-Schwartz against M. and L. Lindner and Lomonosoff-Connell against Merkle-Buchanan.

Vacations are holding up one bracket in the Mens' Doubles but an interesting match should arise when Merkle and Kevey take on Eckholm and Knapp.

CRACK - SNAP - POP

Frank German needs help for the BB Gun Shoot at Operation Get-Together. Call Ext. 2151. At the August 6 meeting of the Upton Rifle and Pistol Club, Peter Colombo, Chief Instructor, was elected Chairman of the Trophy Committee. A Social Committee for the club is being organized. If interested, call P. Mallory, Ext. 667.

The club is acquiring reloading equipment for 38 caliber, 30-06 caliber, and 12 gauge shotgun ammunition. Call P. Mallory or F. German.

The Small Bore Rifle Tournament ended with the following standings: 1st Hot Lab, 2nd ODDS, 3rd Ultimates, 4th Reactor. Al Lukas was high scorer with 358 out of a possible 400. Contact P. Colombo, Ext. 624, if you are interested in the next Tournament, which begins August 20.

PROPERTY MANAGEMENT

Property Management claims there is one of every known type of scientific equipment on the BNL site. If you are looking for the unusual, we can help.

TUNE IN THE LOCAL PATCHOGUE STATION FOR ANNOUNCEMENTS!

If we are rained out Saturday, the Picnic will be held **SUNDAY**.

SUMMER STUDENT PLAYS

Austere faces and sad eyes will find it difficult to stay that way very long on Thursday, August 27, when the summer students present their two comedy productions, 'THE RED PEPPERS' and the 'TWELVE POUND LOOK'.

'THE RED PEPPERS' is a lively story of a vaudeville couple who find their troubles starting just when their act ends. Les Kershenbaum and Marge Lange hold the lead roles as George and Lilly Pepper; they are supported by Ira Gura and Fred Morrison who play the theatre manager and the band-leader respectively.

'THE TWELVE POUND LOOK' illustrates the difficulties of a man as he faces conflicts between his wife, his ex-wife, nobility and himself. Gerry Minerbo stars as the pompous Sir Harry, while Lisa McCormack and Ann Kopecky add the finishing touches to the co-star roles of the wife and ex-wife.

Curtain time will be 8:30 p.m., Thursday, August 27 at the BNL Theatre. The admission is fifty cents and your attendance is welcomed. After the plays, there will be the usual record dance at the Recreation Hall. Admission to the latter event is free with refreshments available.

FRENCH FILM FEATURED

"THE STORM WITHIN"

One of Cocteau's best plays, a skillfully written and directed realistic drama about a neurotic and disordered middle class family. It centers around the reactions of an hysterical and possessive mother to her son's love for a young girl. Cocteau here abandons surrealism for realism, creating tense, witty and ironic adult film entertainment filled with penetrating social and psychological observation. Cocteau says: "I wished to try to solve the problem of transferring the theatre to the screen and of filming a play, that is of keeping it intact, walking invisibly among my protagonists while observing their expressions intimately, following them into the rooms and corridors... all this would have been impossible without Christian Berard, who makes whatever he touches both real and fairylike... I will not speak of the five actors, who, in the end ceased to be actors and became a real family."
