MARCH 30, 1960

SECRETARIAL SEMINAR TO CONCLUDE MARCH 29

On Tuesday, March 29, the second Secretarial Seminar will conclude with talks by Dr. R.C. Anderson, Mr. Joseph S. Washburne, Jr., and Dr. Samuel Goudsmit. Dr. Anderson will discuss the rules and regulations regarding travel, Mr. Washburne will speak on the role of the Personnel Office at BNL and Dr. Goudsmit will give a science lecture. Approximately 50 girls are in attendance at the seminars.

The meetings are designed to aid secretaries and others performing similar duties by informing them of Laboratory procedures and of services available to them. The other meetings in this series were held on March 22 and 24. Among the topics discussed were AUI and BNL organization, security regulations, the telephone and operational problems at BNL, the arranging of conferences and visits, and mail procedures.

CERN PROTON SYNCHROTRON HEAD VISITS BNL

Mr. John B. Adams, Director of the Proton Synchrotron group at CERN, Switzerland, visited BNL from March 22 to 28. The Proton Synchrotron group built and recently brought into operation a 25 BeV accelerator, which is similar to the Alternating Gradient Synchrotron now under construction at BNL.

Mr. Adams conferred with members of the AGS staff and others at BNL. He reported on the status of the CERN machine and outlined the experimental programs planned. On Friday, March 25, he gave a talk in the Research Staff Lounge on proton synchrotron targets and beams.

Mr. Adams was accompanied by Dr. Pierre L'Apostolle, senior staff member at CERN in charge of the Proton Synchrotron's linear accelerator. The two scientists are now visiting the Radiation Laboratory of the University of California at Berkeley.

GYM CLOSED

Because of the preparations of the decorating committee for the April Fool's Dance, the Gymnasium will be closed for recreational activities from Tuesday, March 29 at 5:00 p.m. until Tuesday, April 5.

PHYSICS BUILDING GROUND-BREAKING

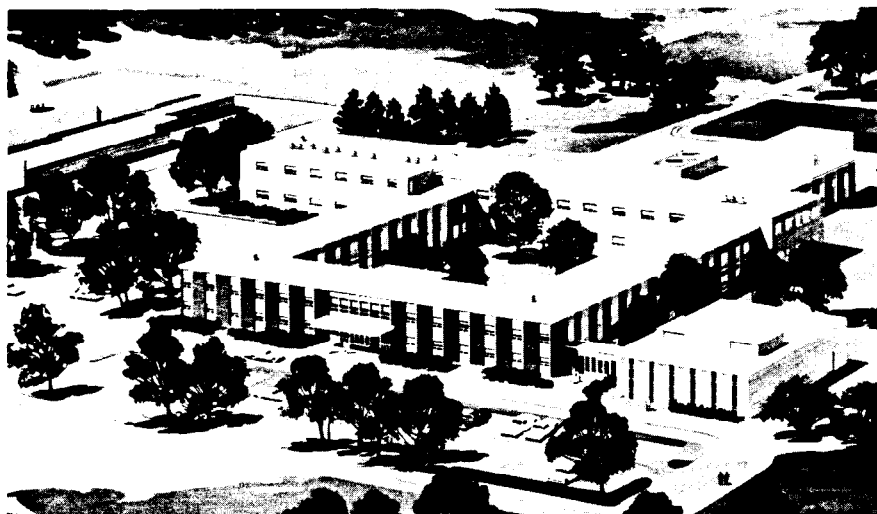

Left to Right: L.J. HAWORTH, S. GOUDSMIT, and D.C. MOORE.

Ground was broken on Wednesday, March 23, for the new Physics Department Building. The ground-breaking was performed by Dr. Samuel A. Goudsmit, Chairman of the Physics Department. The ceremony was preceded by talks by Dr. Leland J. Haworth, Director of the Laboratory, and Mr. Donald C. Moore, Atomic Energy Commission Acting Area Manager.

The building will be constructed south of Cornell Avenue across from the Cyclotron-Van de Graaff building, with the front approximately at the line of Planck Lane. A contract for the construction of the building has been awarded by the Atomic Energy Commission to the Malan Construction Corporation. The architect engineers are Seelye, Stevenson, Value and Knecht - Urbahn,

(Continued on Page 2)

PHYSICS BUILDING—Cont'd

Brayton and Burrows. It is estimated that about two years will be required for completion of the building. Work began on Tuesday, March 22.

The construction of the building will provide an area of about 104,000 square feet, and will cost about \$3,000,000. A two-story office section will form three sides of an open court approximately 120 feet by 150 feet. The office section will contain about 66 single and 50 double offices, four conference rooms, departmental administration offices, and a small library.

The fourth side of the court will be a two-story laboratory section which will contain 27 general laboratories, plus special laboratories for the programs in Nuclear Moments, Solid State, Scanning and Data Analysis work for the emulsion and bubble chamber programs in High Energy Physics, computer room and drafting room. To the east of this two-story laboratory section will be a one-story section containing a shop, works area, and several large laboratories to accommodate the type of work involving such large facilities as bubble chambers.

Plans also include a 150-seat seminar room which will adjoin the new Physics Building.

THEATRE GROUP

The next meeting of the theatre group will be held on Tuesday evening, March 29, at 8:30 p.m., at the home of Joe and Mary Vise in Southaven. We'll be reading Sean O'Casey's "Juno and the Paycock", so polish up your brogue and come along for an evening of fun.

Directions for reaching the Vises: Locate Texaco Station on north side of Montauk Highway, 1 mile west of Upton Road. Just west of the Texaco sign is a dirt road running north. Take dirt road for about 700 feet, then turn left at first intersecting dirt road. Take next right intersecting dirt road and the House of Vise is on the left. Hope we see you there!

NEW YORK PLAY

Exchange tickets are now available at Personnel Services, Building 185, for discounts to "Destry Rides Again" at the Imperial Theatre. By exchanging these tickets at the box office, employees can obtain a 50% saving.

BNL SAFETY RECORD

PRINTED IN U. S. A.
NATIONAL SAFETY COUNCIL

The third disabling injury in 1960 occurred last Thursday night when a Utilities Maintenance employee fell from a 12 foot stepladder. It is reported that his knee was fractured.

D.A.I.U. OFFICERS ELECTED

We have been informed by the Directly Affiliated Local Union No. 24426, A.F.L./C.I.O., of the results of the annual election of union officers, held on March 23, 1960, as follows:

PRESIDENT

Joseph Lucas (Utilities)*

VICE PRESIDENT

Eugene R. Fales (Supply & Materiel)

RECORDING SECRETARY

William Ruppert (Carpentry)

FINANCIAL SECRETARY

George Betz (Utilities)*

TREASURER

Fred Peters (Firefighters)*

SERGEANT-AT-ARMS

Robert Hill (Carpentry)*

TRUSTEE (3 year term)

Thomas Offeringding (Grounds)

SAFETY COMMITTEE

Walter Wilm (Machine Shop)

WELFARE COMMITTEE

Thomas Alaimo (Shops)

Robert Hill (Carpentry)

John Knab (Carpentry)

Joseph Murray (Grounds)

*Re-elected.

PROFESSIONAL OPENINGS AT BNL

From time to time, THE BULLETIN BOARD lists job opportunities for which employee referrals are sought. At the present time there are still openings at the Laboratory for Electrical and Electronics Engineers, Metallurgists, and Mathematicians-Programmers.

If you know of anyone who might be interested in exploring these or other professional vacancies, notify P. Paige, Ext. 2100 or R.C. Anderson, Ext. 741.

SKI CLUB

There will be a meeting of the Ski Club on Monday, April 4 at 7:30 p.m. in the Recreation Building. Elections of Club officers will be held at this meeting. Plans for the last trip of this season, and for the spring beer blast will be discussed. A movie will be shown. For any further information, call John Walsh, Ext. 457.

The club is organizing a ski trip on the weekend of April 9. All those interested please call Joan Weisenbloom, Ext. 550.

MICROMET SALE

Orders for Micromet accompanied by full payment are now being taken at Personnel Services, Building 185. No orders will be taken after Friday, April 1.

YOUR GUESTS AND VISITORS MUST BE REGISTERED

Staff members are responsible for the registration of their guests and visitors, if not already registered and in possession of exit passes or Laboratory I.D. Cards. Guests and visitors include all persons brought or arriving on site for professional or business reasons, tour, social or recreational purposes, or to visit the Apartment Area, the Medical Research Center or the Brookhaven Center. Places where guests may be registered are listed below.

Registration During Regular Working Hours:

Administration Building
Biology Department
Personnel Office
Atomic Energy Commission Office
AGS Service Building
Reactor Building
Purchasing Office
Nuclear Engineering Laboratory
Security and Police Building
Medical Center
(appointment card only)
HFBR Building 120

Registration After Hours, Weekends & Holidays:

The Brookhaven Center - After 1700 when open. (Alien passes not issued here). Police Headquarters.

Registration After Hours Social Functions

Swimming Pool - During open hours. (Alien passes not issued here.)

The Brookhaven Center - After 1700 when open. (Alien passes not issued here.)

Recreation Building, Theatre, Lecture Hall and places where dances, lectures, plays, motion pictures and recreational activities are open to visitors, register at the location of the function or at Police Headquarters.

UPTON RIFLE - PISTOL CLUB

It has been brought to the attention of the U.R.P.C. that the on-site pistol range is being used by unqualified personnel. The range is not open to persons other than members of the U.R.P.C. and members of the Security Department. A listing of eligible club members is now posted at the range. The above ruling will be strictly enforced.

The next meeting of the U.R.P.C. will take place on Thursday, April 7 at 8:00 p.m. at the Recreation Building. Plans for the on-site small bore meet will be discussed. All new members are invited to attend.

COME DANCE WITH ME

Put on your good time clothes and dancing shoes Friday evening, April 1 at 9 p.m. when the BERA April Fool's Dance gets underway in the gymnasium.

Ginger Moore, Decorations Committee Chairman, announces that Tuesday, Wednesday and Thursday evenings at 7 p.m. volunteers are needed to decorate for the gala occasion. Why not come and lend a hand (or perhaps a foot)? Everyone is welcome - no one will be turned away.

Your dance committee members have had a wonderful time planning and working for this affair with George Sabine. Those deserving of recognition are: Carmen Spirio, Chairman, Kathy Brennan, Jerry Friedman, Nancy Ashton, Ginger Moore, Rose Ann Giambalvo, Barbara Oelkers, and Ruth Neuss.

Pack up your troubles, leave them at the gate (the guards will gladly check them for you) and plan on a fun-filled evening! This is one time your I.D. card will save you money. Employees and escort, \$1.50 each, guests \$2.00 each. Tickets will be on sale at the door. Beer and soda will be on sale at cost. To add flavor - bring your own bottle. Chips, pretzels and ice aplenty! Surprise entertainment at the witching hour!

APRIL FOOL RALLY

How is your knowledge of Suffolk County's roads? A very enjoyable Sunday afternoon on April 3rd is in store for all car enthusiasts who would like a challenging rally that is fair for all.

Whether you are an inexperienced novice or a seasoned expert, your chance of winning will be equal. No special rally equipment will be needed. Bring your friends.

Entry fee for Laboratory Car Club members will be \$2.00; the fee for all other Laboratory personnel and guests will be \$2.50. Register at 12:30 p.m. at the Cafeteria parking lot. First car off at 1:31 p.m. Individual trophies will be awarded to drivers and navigators finishing in the first three places.

GIRLS WANTED

About twenty signed up to take the Arthur Murray dancing lessons on Thursday evenings at 8:30 p.m. at the Recreation Building. It is still not too late for you to join the gang. At the present time, the males are dominating the scene. Let's get out there, girls, and even things up!

CAR CLUB MEETING

The Laboratory Car Club will have its inaugural meeting Tuesday, March 29 at 8:00 p.m. sharp in the Recreation Building in the apartment area. All car enthusiasts have this opportunity to join now! For further information call Gene Rogers, Ext. 481.

Definition of a Careless Driver: "An accident on the way to happen".

NEW TELEPHONE DIRECTORY TO BE PUBLISHED

A new telephone directory will be published on or about April 1st. Any employee who is incorrectly listed in the present directory should submit a Report of Change - Telephone Book Listings (Form 241 A) to the Communications Section, 2 Center Street. Employees who have already notified Communications of a change need not resubmit another form.

BERA BOWLING

BOWLING MEETING

There will be a meeting of the Bowling Board this Wednesday, March 30 at noon in the Recreation Building in the apartment area. All league representatives - please attend.

BOWLING DANCE AND TROPHY PRESENTATION

At the end of the BERA bowling season a dance will be held at which the trophies will be presented. All bowlers who have donated to the party fund will be admitted. Your donation entitles the bowler and his or her guest to a free evening of entertainment and fun.

The committee has decided to have this affair on the evening of Saturday, May 21, in the Gymnasium. There will be free beer, pretzels, potato chips and set ups which will include ginger ale, soda, and coca cola. All persons desiring a stronger drink may bring their own bottles.

The dance will start promptly at 8:30 p.m. and end at 2:00 a.m. An orchestra has been hired. The Gym will be decorated by the Committee. In addition, the Committee would like to have each team at a table of its own and would like each team to decorate its table appropriately. This will add to the gaiety of the evening and an award will be given to the best decorated table.

Tickets will be issued soon to each team member by his League Representative or team captain. If you have any questions regarding the dance, contact any of the members of the Committee: Lloyd O'Laughlin (Ole), Chairman; George Hardman, Bowling League President; Kathy Brennan; Barbara Oelkers; Tom Holmquist; Mike McKenna; Gil Spira; A. McCauley; Jerry Walker; E. Walsh; John Ruscica; or your league representative.

GREEN LEAGUE 3/14/60

The Reefers met the Electrons and fought it out to a draw, 2-2. R. Dvorak rolled a 198, 536 for the Electrons. The Fire Department took 4 points from the faded Teasers. Kinney's 501 series and J. Rhodes' 204 helped the F.D. F. Powers

had 507 for the losers. Chemistry forfeited to the Old Timers.

3/21/60. On position night, the Fire Department won over the second place Old Timers 3-1. The third place Reefers lost 4 points to the fourth place Chemistry team. Chemistry brought a new member to make up a team. Webster rolled a 562 series. The Electrons split with the Teasers. Power had a 539 series.

LADY KEGLERS COLUMN

With the 9 point lead on 1st remaining intact, Odds and Ends again took 4, this week from the Strugglers. Medical, right in there fighting to close the gap, took a complete victory of 4 points from Chemistry. The tie for 4th place was broken last night with the Allthumbs moving into 4th by taking 3 points from the Frisbees, while the Nightingales lost 3 to Sam's Gals. This also broke the tie for 7th, with Sam's Gals moving up to 7th and Chemistry down to 8th. The only split conversion of the night was made by Grace Schiro (5-7-9).

High games and series: Grace Siemen 182, 524; Barbara Garnier 176, 462; Martha Hill 172; and Grace Schiro 163.
