Published by the BNL Personnel Office

FEBRUARY 28, 1961

HAWORTH NAMED AEC COMMISSIONER

At noon on Saturday, February 25, 1961, President John F. Kennedy announced the appointment of Dr. Leland J. Haworth, Director of BNL, as a member of the Atomic Energy Commission. The appointment is subject to Senate confirmation. It is expected that Dr. Haworth will assume full-time AEC duties about the beginning of April.

The other members of the five-man Commission are Dr. Glenn T. Seaborg, Dr. Robert E. Wilson, Mr. John S. Graham, and Mr. Loren K. Olson. On February 24, the Senate unanimously approved the nomination of Dr. Seaborg, a Nobel Prize winner, to be a member of the Commission. President Kennedy has announced his intention to name Dr. Seaborg as Chairman of the Commission. With the appointment of Dr. Haworth, the group would include a physicist, Dr. Haworth; two chemists, Dr. Seaborg and Dr. Wilson; and two lawyers, Mr. Graham and Mr. Olson.

Dr. Haworth joined the BNL staff in 1947 as Assistant Director in charge of Special Projects. In this capacity he supervised plans for the erection of the Research Reactor and the design of the Cosmotron. In July, 1948, Dr. Haworth was appointed Acting Director of the Laboratory, and in October of the same year he became Director. He played a major role in the development of the AGS, completed in 1960. Dr. Haworth served as Vice-President of Associated Universities, Inc., from 1951 until November 30, 1960.

On that date, AUI announced the election of Dr. Haworth as its Acting President, following the resignation of Dr. Lloyd V. Berkner. Since then Dr. Haworth has served in the dual capacity of Director of BNL and President of AUI. In his role as AUI President, Dr. Haworth has been concerned with the operation of the National Radio Astronomy Observatory, AUI's installation at Green Bank, West Virginia, as well as with BNL and AUI administration.

Dr. Haworth received his B.A. and M.A. degrees from Indiana University in 1925 and 1926, respectively. He received his doctorate from the University of Wisconsin in 1931. Dr. Haworth spent much of his time during the ensuing years in teaching and research. He was instructor in Physics at the University of Wisconsin from 1930 until 1937, when he was appointed a Lalor Fellow in Physical Chemistry at MIT. In 1938 he became affiliated with the Physics Department of the University of Illinois where he was made an Assistant Professor in 1938 and a full Professor in 1944. In 1941 Dr. Haworth was granted a leave of absence from the University of Illinois to join the staff of the Radiation Laboratory at MIT, which was engaged in war-time radar development. Subsequently he became a Group Leader, then Division Head, and finally a member of the Laboratory's Steering Committee. He received a Certificate of Merit from President Harry S. Truman for his work during World War II.

Dr. Haworth has served on numerous scientific committees and projects advisory to the Department of Defense and other Government Agencies.

"TOYS IN THE ATTIC"

Discount tickets to Lillian Hellman's prize-winning play, *TOYS IN THE ATTIC*, are now available at Personnel Services, 58 Brookhaven Avenue. This play received the New York Drama Critics Award for Best Play of 1960. It is playing at the Hudson Theatre in New York City.

THEATRE GROUP READING

There will be a reading of "The Balcony" by Jean Genet at the home of Gordon Danby and James Powell at 1 Shore Road, Patchogue Shores, East Patchogue on Tuesday, March 7, at 8:00 p.m. To reach the house, travel East on South Country Road from Patchogue for two miles, turn right at the Sinclair Station (two blue lights with a sign reading Patchogue Shores), take Roosevelt Boulevard for 0.7 mile; paved road turns left and changes to Summit Street, follow winding main road for half mile, passing large tree directly ahead with 20 mph sign until one reaches bay, turn left and continue to end of street, last house on left. ATLantic 9-1075. If you are confused by all this and wish help, call Gordon Danby, Ext. 2471 or James Powell, Ext. 2319 and we will send a map, that is if we can find our way home.

SATURDAY SPECIAL

Entries are still being accepted up to this Friday for the Mixed Doubles Tournament, to be held next Saturday, March 11th, at 3:00 p.m. at the Pat-

chogue Bowling Center. Guaranteed prizes - trophies, balls, bags and shoes. Teams consist of one employee and a partner of the opposite sex. Entry fee \$2.50 per bowler. Handicap tourney. For information call the Recreation Office, Ext. 391.

SAFETY AWARD

To all employees:

It was a great pleasure to report to you last Friday that the Laboratory had received a National Safety Council Award of Merit for having exceeded one million man hours without a disabling injury. (This record covered the period 7-9-60 - 11-15-60). Every member of the staff should derive a great deal of satisfaction from what this plaque means in freedom from injury.

My pleasure is now redoubled in announcing to you that we have, for a second time, passed the million hour mark! (This second accident-free period commenced on December 14, 1960, and is still continuing). We reached the million figure at almost the exact moment that I was displaying the first award before you in the Theatre.

Once again, my most enthusiastic congratulations to you all.

LELAND J. HAWORTH
Director

TV AT RECREATION BUILDING

BERA has added to the list of equipment available for use at its Recreation Building by the purchase of a beautiful 23-inch Setchel-Carlson console television set. Viewers may enjoy it on Monday through Thursday evenings from 5 p.m. to 11 p.m. As always, liquid refreshments are available at the building.

THEATRE GROUP MEETING

There will be a Theatre Group meeting Tuesday, March 14, at 8:00 p.m. in the Recreation Building. It is hoped that a play will be selected for spring production. Under consideration are *THE BALCONY*, *DEATH OF A SALESMAN*, and *TEA AND SYMPATHY*. Other nominations will be accepted from the floor. Members and others interested are urged to attend.

DISCOUNT TICKETS

Discount tickets to the following shows and events are available at the Personnel Office, 58 Brookhaven Avenue:

PEPE, Criterion Theatre, N.Y.C.
BECKET, Royale Theatre, N.Y.C.
L.I. BOAT & SPORTMEN'S SHOW,
State Armory, Jamaica, L.I.

MOVIE SCHEDULE CHANGE

Attention secretaries: please change the Film Study Group Schedule on your bulletin board to read as follows:

March 6th --- TIME OF DESIRE
May 8th --- MY UNCLE

**RECREATION BUILDING
(York Lane - Apartment Area)**

OPEN - Monday through Thursday.
5:00 p.m. - 11:00 p.m.

SCHEDULE - Lounge available to all at all times. A variety of social recreational activities are scheduled weekly. (Including dance instruction, folk dancing, club meetings, lectures, parties, and small dances.)

FACILITIES - Rooms downstairs include a large hall for dancing, a fully equipped kitchen, a comfortable lounge and utility room. The upstairs level houses Club Room facilities such as: Camera Club Darkroom, Model Railroad Club, Rifle Pistol Club, Skin Divers Club, and the Ceramics Work Room.

REFRESHMENTS - Cigarettes, Candy and Liquid Refreshments available at all times.

RESERVATIONS - By special arrangements the building will be opened at other than normally scheduled hours, if desired, for group or departmental parties.

ATTENDANT - A BERA employee is on hand at all times to assist with individual as well as activity needs.

INFORMATION - For additional information, schedules, or reservations contact the Recreation Office, 3 Center Street, Ext. 391.

**BASKETBALL STANDINGS
(Second half)**

Standings	Won	Lost
1 Big Five*	5	0
2 Old Timers	3	2
3 Odd Balls	3	2
4 Health Physics	3	2
5 Pick Ups	1	4
6 Biology	0	5

*First half winner with a 7-0 record.

With only 3 games to go in the season the Big Five seems to be drawing close to the Championship. One more win assures them of at least a second half tie, while two victories will clinch the title and make a playoff unnecessary.

1961 FISHING CONTEST

The Committee has been hard at work ironing out the regulations for the second annual competition which will begin sometime in March. So - check your hooks, lines, sinkers, and future issues of the BULLETIN BOARD for all the details.

PERSONNEL RECORDS

TO ALL EMPLOYEES: Be sure to report any changes in home address or telephone number to Personnel Records.

Fringe Patter

Effective February 28, 1961, certain changes are being made in our sick leave policy. Introduced at no cost to the employee, these changes represent additional benefits that qualify our plan under the New York State Disability Benefits Law.

The modifications being made are as follows:

- A new employee may be advanced up to 5 days of sick leave credit during his first month of employment.
- An employee with no sick leave credit may be advanced up to 5 days of sick leave credit if he has not received 5 days of sick leave pay in the preceding 52 weeks.
- An employee with no sick leave credit who has received 5 days or more but less than 8 weeks of sick leave pay in the 52 preceding weeks may receive supplemental pay at the rate of \$30 per week; however, the combined total weeks of sick leave pay and supplemental payments cannot exceed 13 weeks.
- Terminated employees may be eligible for supplemental payments. Conditions for eligibility are highly specialized; details for terminating employees will be available from Personnel upon termination.

These modifications and benefits apply only to absences due to non-work incurred disabilities. The supplemental pay benefits and sick leave advances described above must be applied for by the employee.

Details and further information regarding these changes are available from Personnel Services, Ext. 2107.

CHESS PROBLEM

In this week's problem, submitted by the BNL Chess Club, it is black's move and win. Answer elsewhere in this week's BULLETIN BOARD.

BERA BOWLING

Green League

With six weeks of bowling to go and 9 points separating the first six teams, the team to watch is the Electrons. The two top teams lost 3 points; the Old Timers II to the Reefers, 3-1 and the Old Timers III to the Old Timers I, 3-1. The Electrons, on the move, bent the Mole-Stars 4-0 and the Black Birds won over the Fire Dept. 3-1. High Games and series were: Danner 181-521, Levy 172-503. Tomesch had three consecutive games of 172 for a 516 series. Green 182-507, Rhodes 205-483, Keating 212-537, Lucas 193-537, Scandizzo 193-509, Adams 200-547, Hardman 184-508, Walker 177-516, and Reams 187-498.

BNL SAFETY RECORD

There have been no disabling injuries at BNL thus far in 1961.

Atomic Energy Commission Office
AGS Service Building
Reactor Building
Purchasing Office
Nuclear Engineering Laboratory
Security and Police Building
Medical Center
Cosmotron

Registration After Hours, Weekends & Holidays:

The Brookhaven Center - After 1700 when open and Police Headquarters.

The Film Study Group's next offering will be a bit of smorgasbord entitled "The Time of Desire" featuring two of Sweden's loveliest lasses. It is the story of two sensitive young women living in a man's world (remember those days, fellas?) and of their first experience with love. Their mother died when they were very young, and they are being raised by their father, a horse dealer in a small Swedish village. They isolate themselves from their father's world of physical pleasure, but into their private existence comes a young man who seduces one of the girls. The shock of this experience seems to break the bond between the sisters, but after mature attempts at understanding the problems and each other, the entire family is brought closer together.

Through the co-operation of the National Film Board of Canada, the outstanding documentary film "The City of Gold" will be shown. This film depicts the rough, riotous and raw days of Dawson City during the height of the gold rush. Much of the film consists of photographs taken in those days.

MONDAY, MARCH 6 AT 8:30 P.M. IN THE LECTURE HALL - - - ADMISSION 90¢

Registration After Hours Social Functions

Swimming Pool - During open hours.
The Brookhaven Center - After 1700 when open.
