BERA FILM SERIES

THE LOVE GAME

Monday, July 23 8:30 p.m. Lecture Hall

This French comedy is all about a very young Parisian couple involved in the game of love. The girl is pretty and rather serious; the boy is a spoiled young featherweight of a swain. When the two take time out from romance, they battle like children over the vexing question of their future. The girl wishes the young man to marry her. The young man, already a fixture "Chezelle", sees no reason to modify his convenient arrangement. Genevieve Cluny plays the beguiling and determined girl; Jean-Pierre Cassel dazingly portrays the near insanities of youth as her selfish lover.

FILMS ON JAPAN TO BE SHOWN

A series of interesting films on the modern and traditional aspects of Japan will be shown on Wednesday, July 25, 8:00 p.m., in the Lecture Hall. **Admission free.**

SENIOR RESEARCH FELLOWSHIPS

Information has been received and may be inspected in the Office of Scientific Personnel concerning Senior Research Fellowships tenable in various branches of the New Zealand Department of Scientific and Industrial Research. Applications for posts during the year 1963 are due in New Zealand on September 30, 1962.

GOVERNOR ROCKEFELLER TO VISIT BNL

As part of an extended tour of Long Island, Governor Nelson A. Rockefeller, accompanied by members of his staff, will visit BNL on Thursday morning, July 19.

LAST CHANCE FOR PICNIC TICKETS

This is the last week you can buy tickets for OPERATION GET-TOGETHER No. 5. Ticket sales stop on Friday, July 20, at 3:00 p.m. No tickets can be purchased after that time, so hurry and get yours now. Remember, everyone attending the picnic must have a ticket. All people helping at the picnic have volunteered their services.

PICNIC DOOR PRIZES

BERA will award ten Door Prizes during the day. Announcements will be made periodically as to the time and place of the drawing. Each holder of the winning ticket will be permitted to choose one of the following prizes:

1. Free admission to our Swimming Pool for a one year period for the employee and his immediate family.
2. Free admission for two for a one year period to all scheduled BERA movies.
3. Free admission for two for a one year period to all scheduled BERA concerts.
4. Free admission for two for a one year period to all scheduled BERA dances.

GRAND PRIZE

In addition to the Door Prizes, an additional drawing will be held for a Grand Prize. The winner of the drawing will receive a card which will entitle the employee and one guest to attend any BERA sponsored activity for a one year period at no charge.

STAG OR DRAG

A good time is waiting for you as you dance to the music of Frank Campbell's Combo every Wednesday night at the Recreation Building in the apartment area. Admission is only 50¢. Beer, soda and pretzels are available. The time is 9:00 p.m. to 12:00 p.m. All are welcome, wed or unwed, secretary or scientist, steady or ready.

VISITORS

The Radiation Biology Institute for College Teachers, sponsored by the National Science Foundation, at Syracuse University will visit the Laboratory on July 17.

About two hundred selected high school students participating in the Summer Science Training Program at the Hayden Planetarium will tour BNL on July 18.

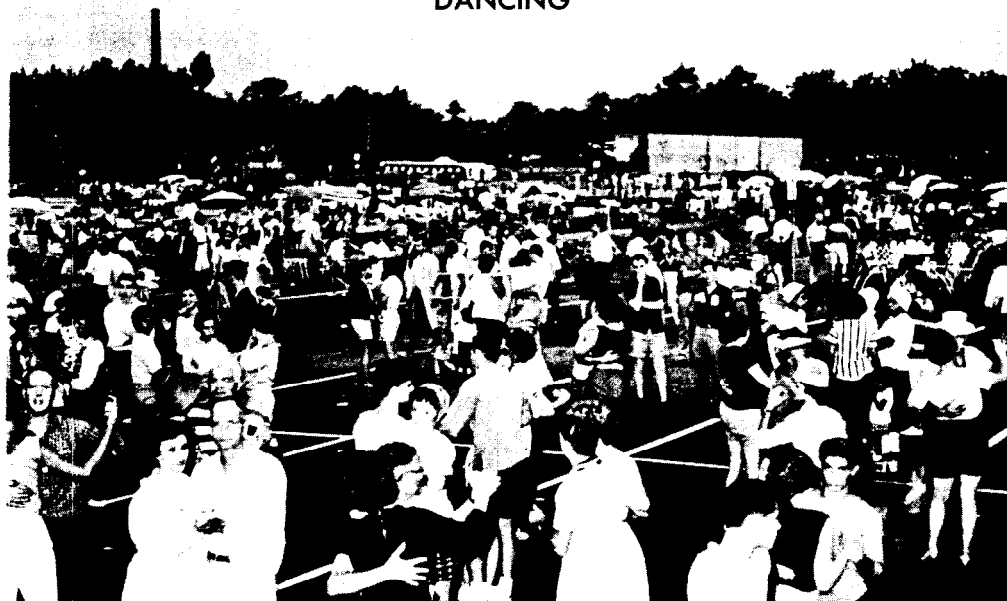

On July 19, a group of Queens College graduate students will visit BNL. The National Science Foundation Institute for high school Math and Science teachers held at Sarah Lawrence College will tour the Laboratory on July 20.

The A.U.I. Trustees will meet at Brookhaven on July 19 and 20.

MUSIC

SOFTBALL

by ROGER CALDWELL

Those raucous sounds you hear are the Blue Jays cackling over their defeat of the Phoubars. The score was 16-5. Let us say no more!

The Dirty Sox were laundered 15-3 by the undefeated Untouchables. Left field looks as though an artillery barrage had been laid down. Joe Conway hit three cannon shots, snapping a tree limb, drilling one through the fence, and exploding a shell burst that brought down the left fielder. With this win the Untouchables became unreachable, guaranteeing a place in the playoffs.

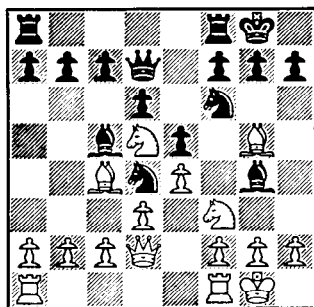

The Cosmos proved to be the better "mudders" as they took two from the Old Timers, 5-3, and 8-2, on a rain soaked field. The Ancient Gents consoled themselves with hot dogs and beer.

The Gnats, the battling bugs of the Laboratory League Cellar, rearranged their infield, strengthened the outfield, found new pitching talent, and sharpened up their hitting, thereby earning a resounding moral victory over Electronics, losing only 10-4.

Health Physics did it again.

CHESS PROBLEM

In this week's problem, all the pieces are on the board, and positions are the same. It is White's move, but whose win? Answer elsewhere in this week's BULLETIN BOARD.

FOLK DANCING

There will be folk dancing every Monday evening at 8:00 p.m. at the Recreation Hall.

TENNIS TOURNAMENT STARTS

The annual BNL Tennis Tournament will get under way Monday, July 16. Over seventy Laboratory employees will participate in men's singles, ladies singles and mixed and men's doubles events. All information regarding the tournament is posted on the bulletin board in the Gymnasium. Participants are reminded to report the results of all games promptly to the Recreation Office.
