BERA FILM SERIES

"SUMMERSKIN"

Thursday, May 23, 8:30 p.m., Lecture Hall

"Summerskin" is the second film of widely acknowledged director Leopoldo Torre Nilsson to be released in the United States. The story, as in the case of "House of the Angel," was scripted by his wife and collaborator, Beatriz Guido. The plot is somewhat similar to Henry James' "Wings of the Dove" with the sexes reversed. A calculating, spoiled and bored young girl is persuaded, with the incentive of a year's vacation in Paris and a Dior wardrobe, to live with the dying young son of a friend. They spend a wonderful summer together, after which he is scheduled to die and she to depart for Paris to collect her reward; however, the fate intervenes and the story is brought to somewhat unforeseen climax.

Like Nilsson's other films, the theme of social contrast is the basis of motivation. Performances by the two principals are quite outstanding, as is the expert photography in many of the mood-setting scenes.

"Every picture is an important part of me. Each one embodies in it my own feelings, hopes and ideas. But "Summerskin" is the one containing the fullest measure of my love. . . it is the one for which I feel the greatest emotional intensity. . ." LEOPOLDO TORRE NILSSON

Watch for the summer film schedule in next week's BULLETIN BOARD.

SUMMER BOWLING LEAGUE

It appears from the number of team entries received so far that there will be a summer league. Entry blanks are available at the Recreation Office - hurry, the deadline is **this Friday.**

Some people misunderstood last week's announcement and concluded that this is to be a Mr. and Mrs. League only. This is misleading since it is an employees' Mixed League, and the fact that wives or husbands are also eligible is merely an added feature. All-employee teams are welcome, as are those which include one or more spouses.

The league will start bowling at 6:30 p.m. on June 4, at Port Jeff, and continue each Tuesday thereafter for about fourteen weeks. Entry fee is \$3.00 per bowler. **ENTRY DEADLINE IS MAY 24!**

AROUND THE BASE PADS

By BOB CARCIELLO

Most of last week was fairly windy which may justify a reason for some of the scores. The wind was blowing in over home plate and out toward center field. This condition is nice as far as the man at bat is concerned, but the fielders must have good judgement to compensate for the strong gusts of wind.

The Chamber Chaps took over the first place slot in the Laboratory League by defeating the Odd Balls 37-22. Joe Nardi and Ted Erickson each hit a four bagger for the Chaps. The Potsareebies notched their first win of the season by downing the Mets 31-16. John Olness of the Mets hit two home runs, and Bill Brown contributed one for the Pots. The Old Timers made their debut against E.A.O. and lost the game 22-5. Bob Motto of E.A.O. hit one circuit clout in the game. Electronics, with the aid of Hal Marshall's home run, downed the Phoubars 24-5. The Blue Jays made it two in a row by winning a squeaker at the expense of Metallurgy. The final score of that game was 10-6.

At the time of this writing there are 256 games left to be played, so, it's a little too soon to make any long range predictions. However, it looks like there might be a close race between a few of the teams in the Lab League.
