CHESS PROBLEM

In this week's problem, it is White's move. Black is one sure move away from Queening the Pawn, so White has to do something, QUICK. The solution is elsewhere in this week's BULLETIN BOARD.

BULLETIN BOARD NOTICE

For all future BULLETIN BOARD questions, please contact Janet Whitehead or Marianne Clasen at the Personnel Office, Ext. 2109 or 2513.

CAMPBELL WINS NATIONAL FISHING TITLE

By virtue of his amazing fifty-pound striped bass catch out of Port Jefferson this past July, Dean Campbell of BNL's Physics Department amassed a staggering total of 685 points in the National Industrial Recreation Association Fishing Contest. All the results in the contest are now in, and it's official: Dean is the national champion.

As the overall winner, Dean will receive the Shakespeare Grand Award - a free, three-day fishing trip to North Manitou Island in Lake Michigan, off Traverse City. The area is noted for containing one of the best small-mouth bass lakes in the nation. Arrangements are now being made to speed our winner on his trip.

It's certain that all of B.N.L. joins the BERA Board in saying, "Congratulations, Dean. Good fishing!"

THEATRE GROUP MEETING

The next meeting will be held on Wednesday, October 2, at 8:30 p.m. in the Recreation Building. A planned program will be presented by some of the members.

BRIDGE NOTES

The winners of the Thursday duplicate bridge game were Les Lawrence and Sandy Wagner, now in active training for their matches next month in London and Paris against the industrial champions of England and France.

The runners-up were Ellie Hedges and Jane Miller. In third place were Charlie Flood and Skelly Frei, with Jack Tillinger and Joel Malament holding fourth position.

The next game, a full master point event, will be held on Thursday, September 26, at 8:00 p.m. in the Recreation Hall. Everyone is invited.
