POCKET BILLIARD LEAGUE

It's the new rage which has swept across the country from California to New York. New and fancy billiard parlors, patterned after bowling alleys, featuring excellent tables and a pleasant atmosphere, are appearing in many of our neighboring communities.

A few of our employees have expressed an interest in forming a "Billiard League". What's a Billiard League you ask? Well it's very similar to a bowling league, only the ball is smaller and there are more of them. Actually, teams are composed of two or three men who compete in a game similar to straight pool. The game is divided into innings. The number of balls holed by a team in its turn is their score for the inning. Totals at the end of fifteen innings decide the match. Competition would be held once a week (at 6:00 or 7:00 p.m.) for a 21 or 28 week season, with trophies awarded the winning teams.

A **handicap system** is used so that the competition is balanced to permit the beginner to enter and enjoy the game.

If you are interested in joining such a league, or finding out more about it, call George Sabine at the Recreation Office, Ext. 391.

If enough interest is indicated, a meeting will be held to organize the activity, elect officers, draw up rules, pick dates and schedules.

UPTON RIFLE AND PISTOL CLUB

In the third go-a-round at the Pat- chogue Armory against Grumman's "C" team, U.R.P.C. shooters scored 719 points to 525 points, with E. J. Hart's 185 points out of a possible 200 points.

The next match will take place in the Armory against Republic Aviation, on Tuesday, October 22, at 7:00 p.m.

Large Bore

The tournament got off to a good start on Sunday, October 6. There's still time to get in the contest with six Sundays remaining - the best four days count for score.

Shooting starts at 2:15 p.m.; come a little early to practice.

POOL OPENS NOVEMBER 5

Our Swimming Pool, which is now undergoing maintenance repairs, will be back in shape and ready for business Tuesday, November 5. After opening on its Fall-Winter schedule, Tuesday through Friday (5:00 p.m. - 10:00 p.m.), the pool will remain open to mid-June. Season tickets will be sold at the pool office starting November 5.

BERA OPERA SEASON OPENS

Once again it is Opera time and the BNL Opera Club is open for business. The purpose of the club is to obtain tickets for Metropolitan Opera performances under the auspices of the Metropolitan Opera Guild Educational Division.

As you know, obtaining tickets to the opera of your choice, for the seat you prefer, on the date you would like to attend, is often an impossible task. However, through the Guild we are able to satisfy a good portion of your requests. Only a certain number of tickets are set aside for purchase by club members. It is therefore **necessary** to request tickets at least **three weeks** in advance. The further in advance the request is made, the

more chance you have of obtaining tickets.

Requests for tickets (accompanied by check) will be taken at the Recreation Office, 3 Center Street, daily from 9 a.m. to 1 p.m. Price list and seating arrangements are on hand. However, requests for specific seat locations cannot be filled. Requests will be accepted for only **general** seating locations.

The club is entitled to purchase 50 tickets (under \$6.00) throughout the season at a 20 per cent discount. These tickets are available (limit 4) on a "first come, first served" basis.

The schedule for the next ten weeks is as follows:
